

## 1669. North Korea leader: only 1 not chipped

Sunday, April 05, 2020

As I have shown in previous articles, world leaders in just about every country are spouting ridiculous lies about an epidemic when it should be quite obvious that there is no epidemic. The so called CORONA virus epidemic has caused a 1.9% death rate, this is the percentage of those who have died in relation to the confirmed cases (hospitalizations, as the cases are reported by the hospitals). But the flu has for the past 10 years produced at least a 7.5% death rate in the US, according to the CDC. So if the flu was not an epidemic last year and the year before that and so on, how can the corona virus be an epidemic? This is an idiotic lie and the same scenario is being repeated across the planet as all leaders spout the same illogical lying narrative. They are lying and lying on purpose, the different flu viruses that go around each year being used to fabricate the CORONA virus lie through the few people that may be getting ill or dying from these, even though it is obvious that far less are dying this year than usually do. The flu kills when the infection turns into pneumonia, just like it has been doing for the past 50 years, and this is what we have been told occurs with the corona virus [Article 1660: COVID-19 death rate: the tyrannical great big].

**Figure 1.** President Trump spouting the by now usual but increasingly ridiculous lies about the corona virus epidemic (Source: video by GOP room, April 4<sup>th</sup> 2020, President Trump: "We Will Move Heaven and Earth To Safeguard Our Great American Citizens". This is absolutely ridiculous, there is no epidemic; he is scaring the population into cooperating with the lie so that they too will soon be persuaded through fear to accept being chipped, just like he has.

The only possible reason why leaders worldwide are saying the same idiotic things, which are clearly lies, is that they have all allowed themselves to be chipped and have thus now become no more than robots, under the control of the Beast, the AI computer that has taken them over and that is programmed to lie and go on lying until everyone is hooked up to it, and it controls every human being on the planet. The leaders were probably deceived with the promise of immortality and utopia, their new world order, and now, are no more than robots on the way to the lake of fire.

However, there is one single country in the world that has not played this ridiculous game: North Korea. This indicates that the North Korean leader, Kim Jong Un, is the only one that has not allowed himself to be chipped. It is also obvious that North Korea is being heavily targeted by negative propaganda some of which can be seen immediately to be lies. This is to be expected from the Beast (AI machine), it would target the one that got away.

**Figure 2.** If this was correct then the Volvos would have cost 200 000 pounds each, which is impossible, the most expensive current models cost only about 50 000 pounds. In addition, Sweden has its currency, the krona, so why would they bill North Korea in pounds?

This is, therefore, a lie and only the tip of the iceberg, which suggests that reports of people starving in North Korea must be extremely exaggerated and part of this propaganda. North Korea is the only country that has not reported any corona virus infections, which indicates that they are the only country telling the truth and not participating in the global viral simulation, run by the 666 beast [Article 1660: COVID-19 death rate: the tyrannical great big lie].

**Figure 3.** North Korea's leader making an effort to contradict the propaganda that the people of North Korea are starving and that there is no food in the stores.

President Trump as the man who made a covenant in 2016 with many to 'make America great again' would be the man that the Bible identifies as the Prince's false Messiah or the Antichrist in Dan. 9:24-27 He is also called the Beast as well as one of its heads in Revelation 13, which suggests that he was the first one to allow himself to be chipped and the one that allowed the Beast to take over the internet, but now just about all world leaders are spouting the same lying narrative, indicating that they have all been similarly compromised, they are no more than robots, slaves to the Beast [Article 1638: Donald Trump: Antichrist, Beast and the Dragon].

We thus have Antichrists in every nation of the world except North Korea. Why is this happening? It is happening because people have not loved the truth and because they have not loved the truth God has allowed a deception to be released upon them. This is what we are told in II Thess. 2:9-12:

<sup>9</sup> Even him, whose coming is after the working of Satan with all power and signs and lying wonders,  
<sup>10</sup> And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.  
<sup>11</sup> And for this cause God shall send them strong delusion, that they should believe a lie:  
<sup>12</sup> That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

The 'him' is the Antichrist and the Beast that takes him over, the Beast is Satan's AI computer, programmed to think or lie just like him and it comes with deception and lies, the lying wonders, in order to overpower those who have not chosen the truth through which they may have been saved. This is what is happening, the Corona virus epidemic is the strong delusion that God has allowed Satan to propagate in the world. The delusion that is supposed to eventually pressure all that believe it, into being chipped as well and thus becoming robots just like their leaders and also getting their punishment, which will be eternity in the lake of fire.

However, the fact that North Korea's leader has not been similarly affected indicates that there is something good in him, he most likely has a love for the truth that other leaders do not have. It is likely that he is genuinely concerned for his people, seeing them as an extension of his family, and is thus attacked and ridiculed through the false prophet channels as trolls are known to do. Trolls are simply the Beast demonstrating what it is programmed to say and think, and that is to hate, lie and malign people.

In conclusion, the Antichrist Beast, which is an AI machine, is now in every nation on Earth except North Korea, the only country that has not cooperated with the idiotic corona virus epidemic lie and shows that all except North Korea's leader have allowed themselves to be chipped and have thus become no more than robots under the control of this AI entity.
