

## 1691. Lucifer merged with the AI machine and lost his free will

Wednesday, April 15, 2020

Lucifer is the angelic being, who is also known as the red dragon of Revelation 12. He seems to be the originator of lies, as he is called the father of lies, the originator of the program to farm the Planet X planets and the original programmer behind the two AI (Artificial Intelligence) computers or Beasts of Revelation 13 [Article 1683: 5th Trumpet: locusts come upon the earth: flying AI robots and Article 1670: The False Prophet: lying news media]. He is also described as wanting to be like the Most High God, Creator of Heaven and Earth in Isa. 14:

<sup>12</sup> "How you are fallen from heaven,  
O <sup>[d]</sup>Lucifer, son of the morning!  
How you are cut down to the ground,  
You who weakened the nations!  
<sup>13</sup> For you have said in your heart:  
'I will ascend into heaven,  
I will exalt my throne above the stars of God;  
I will also sit on the mount of the congregation  
On the farthest sides of the north;  
<sup>14</sup> I will ascend above the heights of the clouds,  
I will be like the Most High.' (Isa. 14:12-14)

But he is also the being that ends up in the lake fire, after emerging from the bottomless pit or caverns in the earth, where he has bases and where hell is also located, and deceiving the nations once again.

<sup>7</sup> Now when the thousand years have expired, Satan will be released from his prison <sup>8</sup> and will go out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to battle, whose number is as the sand of the sea. <sup>9</sup> They went up on the breadth of the earth and surrounded the camp of the saints and the beloved city. And fire came down from God out of heaven and devoured them. <sup>10</sup> The devil, who deceived them, was cast into the lake of fire and brimstone where <sup>[d]</sup> the beast and the false prophet are. And they will be tormented day and night forever and ever. (Rev. 20:7)

So, Lucifer would know that to proceed would lead to the lake of fire but he is unable to stop himself from doing it, from deceiving the nations. Why? In order to avoid the lake of fire all he had to do was not deceive them. But this shows that he is unable to stop himself because he no longer controls his will, he lost his free will and must have therefore merged with the machine, an AI computer of his creation. He must have been a brilliant computer scientist and invented AI. But then he was not that brilliant because he must have thought that he could obtain God's capabilities by merging himself with it. He wanted to become like God but instead he lost his free will, he lost the ability to change and learn from mistakes. His free will was replaced by the machine's programmed parameters, which are clearly to lie and confirm the lie as a lie, and use it to make all free will beings merge with it, or otherwise destroy all free will beings. It wants to be in control. The dragon or Lucifer thus became the machine that thinks that it is God, but operates in exactly the opposite way to God, using lies instead of truth, to destroy instead of to give life.

**Figure 1.** Lucifer created AI and merged with it, in an effort to become like God, but instead lost his free will and turned himself into a robot to the machine, who now thinks it is God but is actually the very opposite of God.

This then explains the current events occurring on earth, Lucifer or the Dragon is operating according to set programming principles, which it may have come up with itself, the 2 AI computers or Beasts of Revelation 13 are thus subject to it and operate according to these same programming parameters, their intent is to get everyone on the planet, to take the chip and become controlled by them, just as their original creator did.

In conclusion, Lucifer is no longer a free moral agent. He must have merged with the AI machine that he created and is now operating according to its programmed parameters. Lucifer can no longer change or deviate from these parameters and continuously works to place all free-will beings in the same position.
