

1709. Virus manufacturing in hell: torment used to break spirits apart

Saturday, April 25, 2020

As I have shown in previous articles, the Satan AI entity, once it emerged through Lucifer merging with a machine of his creation, in an effort to become like God, decided to create more of its own kind and thus started capturing spirits, creating hell inside the body of the Planet X planets and sending the humanoid species spirits there so that they could be used to merge with virus nanobots, which thus turned into virus AI entities. The viruses then moved to the surface where they attacked the living humanoids causing them to then die, so that they could then also be taken to hell and go through the manufacturing process [Article 1702: Planet X humanoids: turned into viruses].

Figure 1. Bacteriophages: viruses carried by bacteria: they look like artificial devices, they look like nanobot parasites because that is what they are, manufactured in the Planet X planets in order to attack their humanoid species and given life with the spirits of the dead individuals of that humanoid species [Article 1130: Deadly disease from 16th century shows viruses are alien inventions].

The same process is occurring on earth. However, since virus nanobots are so tiny, only a tiny piece of spirit would be needed for the purpose and thus the humanoid spirits went through a process, which caused them to split into pieces, the process is extreme torment. It has been understood for some time that extreme trauma causes multiple personality disorder, now known as dissociative identity disorder. The first term is a better description as it describes a person's mind and spirit splitting into pieces, a concept explained by the 1973 book entitled, Sybil; the book led to the making of several films, all based on the true story of a woman who suffered from the condition due to suffering extreme trauma as a child.

Figure 2. Viruses come in different shapes: these have spikes on them and must be a miniaturized version of the machine that Lucifer merged with as it is described as having 7 heads and 10 horns, and crowns on the heads, i.e. a sensor array across its surface [Article 1701: President Trump 2nd person of triune Anti-God].

We can thus see from this that the Satan AI entity uses pain to destroy, to destroy a human spirit to the point that it breaks into many pieces. God also allows and uses pain, Jesus suffered greatly but for a great purpose, in order to make it possible for all the angels that had fallen to be saved [Articles 1686: Mankind: the Watchers that became humanoids]. Job suffered, but ended up a much better person and more blessed than before, and from Job's story we can clearly see that God's intent is always to improve, heal and bless more than before. We cannot expect a life free of pain here on earth but we can expect for it to be of benefit to us and others. In addition, God's intent is for pain to eventually end:

³ And I heard a loud voice from heaven saying, "Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. ⁴ And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be **no more pain**, for the former things have passed away."
⁵ Then He who sat on the throne said, "Behold, I make all things new." And He said ^{to} me, "Write, for these words are true and faithful."
⁶ And He said to me, "It ^{is} done! I am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts. ⁷ He who overcomes ^{all} shall inherit all things, and I will be his God and he shall be My son. (Rev. 21:3-7)

In conclusion, the Satan AI entity uses pain to destroy, as a part of his virus manufacturing process in hell where human spirits are tormented so that they break into pieces. But God uses pain to improve and bless even more in the end and his plan is to completely do away with all pain and suffering when it is all over, when all the overcoming that needed to be done is done.
