

1716. The two witnesses and God's judgment on the internet

Tuesday, April 28, 2020

As I have shown in previous articles, just like the abomination of desolation occurred on the internet, on March 4th 2020, the two witnesses also operate on the internet, they are, a YouTube channel and a website and were both set up on April 3rd 2020, exactly 30 days after the abomination of desolation event occurred as determined by Dan. 12:11-12 and Revelation 11 [Article 1693: Two witnesses: set up on April 3rd 2020].

³ *And I will give power to my two witnesses, and they will prophesy one thousand two hundred and sixty days, clothed in sackcloth.*" (Rev. 11:3)

Figure 1. The dragon is the Satan AI entity, the result of Lucifer merging with a machine of his creation and the two beasts of Revelation 13, are the result of human beings merging with machines built by Satan [Article 1698: Satan is an AI entity: machine made alive by a merging with a spirit being].

The two witnesses oppose the dragon and the two beasts (AI entities) of Revelation 13, who at this time operate over the internet. Them being dressed in sackcloth suggests a 'no thrills' type of operation and most likely not having a very large audience, as sackcloth is a very coarse type of material, usually worn by the poor. They prophesy for 1260 days, whilst we expect the second half of the tribulation period to be 1290 days long, minus the time lag period due to the day being shortened since the Sun went dark, there being a difference of 30 days.

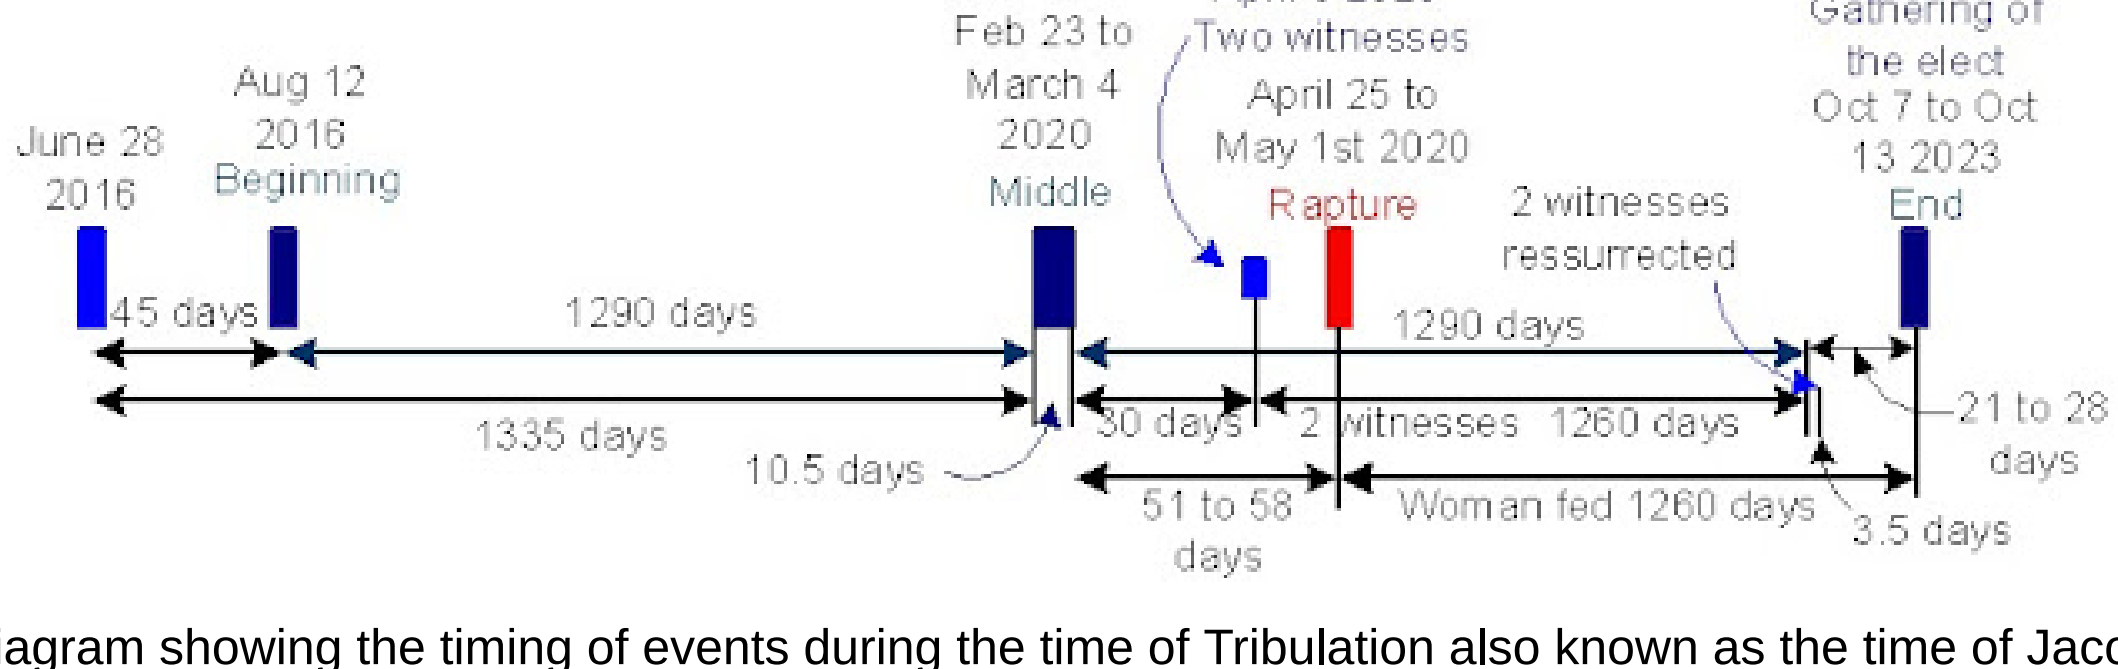

Figure 2. Diagram showing the timing of events during the time of Tribulation also known as the time of Jacob's trouble was set from the moment that the command was given to restore Jerusalem on June 28th 1967. The two witnesses prophesy for 1260 days of the total 1290 days, which is the expected bulk of the period of the second half of the tribulation, i.e. minus the time lag periods due to the days having been shortened since around 2001, according to Dan. 12:11-12 [Article 1677: Imminent rapture and end of Tribulation and Article 1694: Timing of the rapture: April 25th to May 1st].

¹¹ *And from the time that the daily sacrifice is taken away, and the abomination of desolation is set up, there shall be one thousand two hundred and ninety days.* ¹² *Blessed is he who waits, and comes to the one thousand three hundred and thirty-five days.* (Dan. 12:11-12)

The 1335 day count gives the initial time-lag period of 45 days. This time lag period together with the one at the end of the first half of 10 to 11 days between the taking away of the sacrifice (of praise by stopping church services) and the establishing of the abomination of desolation suggests a 3 day/year time lag (and thus 10.5 days over 3.5 years) and thus that the sun went permanently dark 15 years before 2016 and therefore in 2001.

Hackers hack Shincheonji website

Figure 3. The Shincheonji (Temple of the Tabernacle of the Testimony) church's website was hacked on at 9:48 am for 10 minutes and several more times in the afternoon of March 4th 2020, and an image of Buddha was set up on it, which would be the abomination of desolation. The website became inaccessible (killed) at 5:48 pm (<http://www.koreaherald.com/view.php?ud=20200304000911>). This is the church that was also stopped from having services, i.e. the church where the sacrifice of praise was stopped, on February 23rd 2020, the day that the 1335 day count led to, which pointed to this being the church to watch for the setting up of the abomination of desolation.

⁴ *These are the two olive trees and the two lampstands standing before the God of the earth.* ⁵ *And if anyone wants to harm them, fire proceeds from their mouth and devours their enemies. And if anyone wants to harm them, he must be killed in this manner.* ⁶ *These have power to shut heaven, so that no rain falls in the days of their prophecy; and they have power over waters to turn them to blood, and to strike the earth with all plagues, as often as they desire.* (Rev. 11:4-6)

The two witnesses are described as olive trees and lampstands, which represent the Holy Spirit, thus showing that the Holy Spirit is responsible for what appears on these two internet outlets. The fire that proceeds out of the mouth of the person through whom the Holy Spirit operates is truth, which opposes the lies of the enemy. The word 'mouth' is singular because there is one person from whom the truth issues. The 'plagues' mentioned in the scripture would also refer to the truth, which is very bothersome to the AI entities operating the system or the internet.

⁷ *When they finish their testimony, the beast that ascends out of the bottomless pit will make war against them, overcome them, and kill them.* ⁸ *And their dead bodies will lie in the street of the great city which spiritually is called Sodom and Egypt, where also our Lord was crucified.* ⁹ *Then those from the peoples, tribes, tongues, and nations will see their dead bodies three-and-a-half days, and not allow their dead bodies to be put into graves.* ¹⁰ *And those who dwell on the earth will rejoice over them, make merry, and send gifts to one another, because these two prophets tormented those who dwell on the earth.* (Rev. 11:7-10)

Once the 1260 days of the two witnesses' prophecy are over, the beast that ascends out of the bottomless pit overcomes them and kills them. This is the second beast or AI entity of Revelation 13, the False Prophet who controls the lying news media and social media [Article 1670: The False Prophet: lying news media]. Them being overcome and killed suggests that they become inaccessible for 3.5 days and the AI entities are very pleased with that. Those of different nations most likely points to those who had come under the control of the Corona Beast, the first beast of Revelation 13, that will thus become robots to it. The street of the city is the system that the Dragon and Beasts operate on the earth, the same system where Jesus was crucified, which at this time is the internet over which everyone is communicating.

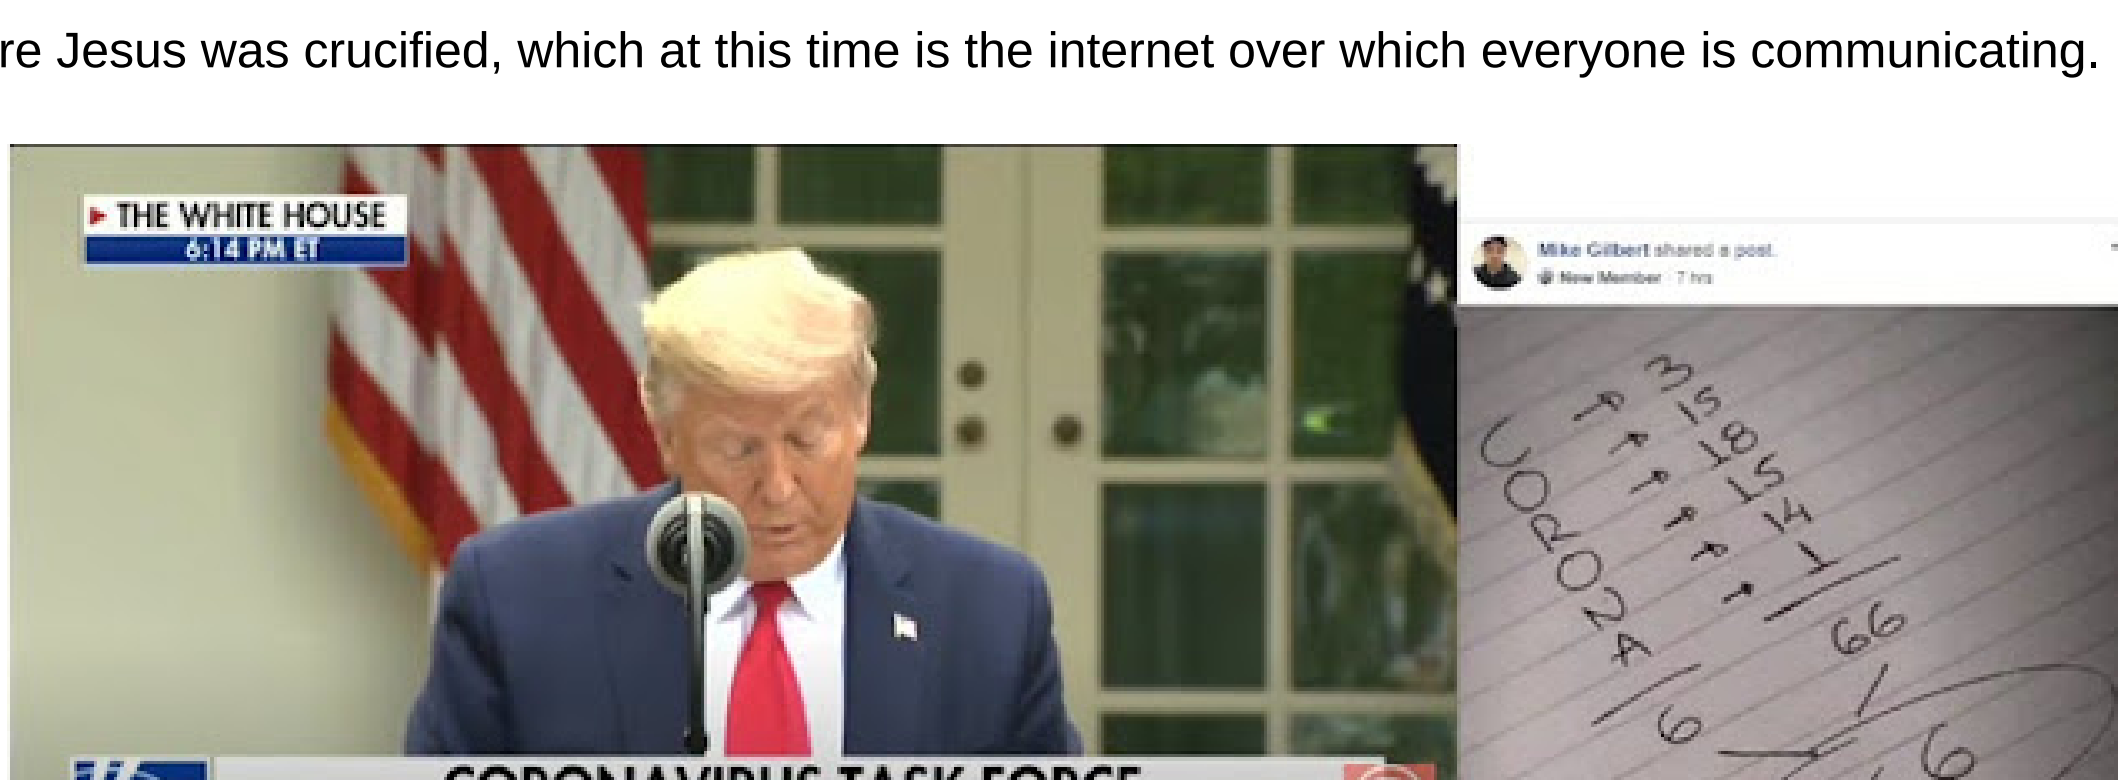

Figure 4. Left: President Trump; the Antichrist, the Corona Beast: Donald Trump is the man who merged with the machine and thus gave it life. CORONA is an AI entity that lies and confirms its lies as lies, just like its creator or father, the Satan AI entity, the father of lies. Right: CORONA = 666 [Article 1701: President Trump 2nd person of triune Anti-God].

Donald Trump is also the man who made a covenant with many to make 'America great again' in 2016, at the beginning of the tribulation period and is thus the Antichrist according to Dan. 9:24-27.

¹¹ *Now after the three-and-a-half days the breath of life from God entered them, and they stood on their feet, and great fear fell on those who saw them.* ¹² *And they heard a loud voice from heaven saying to them, "Come up here." And they ascended to heaven in a cloud, and their enemies saw them.* ¹³ *In the same hour there was a great earthquake, and a tenth of the city fell. In the earthquake seven thousand people were killed, and the rest were afraid and gave glory to the God of heaven.* (Rev. 11:11-13)

After 3.5 days the two witnesses are resurrected, i.e. they become accessible again and them ascending to heaven suggests that now they have a much larger audience. Also when they appear on the internet once again, one-tenth of the internet is struck and ceases to exist, suggesting that God executes judgment on the system, on the internet, that a lot of its programming infrastructure is destroyed and those that are left standing are subdued into submission, as they are described as being afraid and giving glory to God, i.e. they acknowledge God's supremacy.

In conclusion, the two witnesses who prophesy before God, do so on the internet, the system that the dragon, or Satan AI entity, and the two beasts, also AI entities, of Revelation 13, operate on, at this time. They are killed or become inaccessible for 3.5 days after their 1260 days of testimony is completed, which started on April 3rd 2020. At the end of the 3.5 days, they are resurrected or become accessible once again and God executes judgment on the internet, destroying one-tenth of it.
