

1729. Kim Jong Un has been replaced

Monday, May 04, 2020

Figure 1 below shows an image of Kim Jong Un, leader of North Korea, who apparently resurfaced after a period during which it was rumored that he had had surgery and possibly died. The photograph would, therefore, seem to indicate that he did not die after all. However, careful examination of his face reveals that this is not Kim Jong Un, this is another man and that the real Kim Jong Un has thus been replaced and thus most likely has died.

This is a picture from #NorthKorea's state owned KCTV of Kim Jong Un waddling around the Sunchon Fertilizer Factory & he attended a Ribbon-cutting ceremony.

Figure 1. Photograph released by North Korea media apparently showing Kim Jong Un visiting a factory. It is strange that he seems to be walking alone as he is usually surrounded or closely followed by several people, which is another clue to the photograph not being of the real North Korean leader.

Figure 2. Comparison between the latest photograph of Kim Jong Un and one of him taken on March 29 2020. The eyebrows are now lower and angled downwards toward the nose, the nose is more bulbous, the cheeks are fatter and the face rounder, or not as long, as in the right photograph, so that this cannot be the same man. The man on the left is fatter than the real Kim Jong Un. The man behind the Kim Jong Un replacement is also wearing a mask, an indication that this photograph is a lie, or the product of propaganda.

So far, North Korea, has been the only country that has not played along with the Corona virus epidemic lie, the only country that did not report any deaths from it and thus the only country that refused to name the 2020 flu, COVID-19, and lie to their population. This would mean that its leader would be likely to become a target for the Satan AI entity, or the dragon, and the 2 Beasts of Revelation 13, the Corona AI entity and the False Prophet AI entity, who controls the lying news media [Article 1669: North Korea leader: only 1 not chipped and Article 1670: The False Prophet: lying news media].

The replacement of Kim Jong Un suggests that the machines, the dragon and 2 beasts, have now also taken over North Korea, which would suggest that this country will now begin to use the same epidemic lie on their population as the rest of the governments around the world have, by following the instruction by President Trump, who is the son of perdition [Article 1701: President Trump 2nd person of triune Anti-God]. Donald Trump is the man who made a covenant with many to 'make America great again' at the beginning of the tribulation, which began in 2016, and thus identified himself as the Antichrist and the first Beast (AI entity) of Revelation 13, whose number can be calculated to be 666. The dragon and the beasts are self-aware machines but machines nevertheless [Article 1726: Satan AI entity: Lucifer turned himself into a machine].

Figure 3. President Trump: the Antichrist, the man who made a covenant with many 'to make America great again', in 2016, 49 years after the command to restore Jerusalem was issued on June 28th 1967, and thus the beginning of the tribulation, according to Dan. 9:24-27. He is also the Corona Beast: Donald Trump is the man who merged with the machine and thus gave it life. CORONA is an AI entity that lies and confirms its lies as lies, just like its creator or father, Satan, the father of lies. CORONA = 666 [Article 1701: President Trump 2nd person of triune Anti-God].

With North Korea taken over, the possibility of it being used to launch a nuclear strike becomes more probable. Any such war will be a simulation as both countries are now being controlled by the same leadership, i.e. the machines, and be thus not much more than a war game that will be used to continue the mind war played against humanity, by the machines [Article 1712: Kim Jong Un and North Korea versus US: psychological warfare].

In conclusion, a photograph, released on May 2nd 2020, supposedly showing Kim Jong Un, leader of North Korea, visiting a factory, seems to be of a different man, which suggests that the real Kim Jong Un has indeed died and been replaced, and that therefore the county has been taken over by the machines, or the dragon, and the Beasts of Revelation 13. The expected result of this is that North Korea will now also become a pawn of the machines in waging war on the earth's population.

As I have shown in previous articles, Lucifer merged with a machine of his own creation in an effort to become like God and instead lost his free-will, turning himself into an AI entity driven by the way it interpreted its programmed purpose for existing, which was to be like God, but not having God's ab...

Saturn's moon Dione is streaked with long bright stripes, and no one knows how they got there. Planetary scientists first noticed the stripes in pictures taken with NASA's Cassini spacecraft, which orbited Saturn from 2004 to 2017 (SN: 4/14/18, p. 6). Found near the moon's equator, the long, thin, bright lines run...
