

1742. The image of the Beast: 666 AI entity reproduction technology

Saturday, May 09, 2020

The image of the beast is mentioned in Revelation 13 and is related to the first beast of Revelation 13 whose number can be calculated to be 666. This beast is also the Antichrist and the son of Satan, and thus an AI entity which emerged when a man merged with a machine which Satan created and is of a similar design to the one that Lucifer merged with. Satan is also the creator or father of viruses, which are nanobot AI entities made up of millions to trillions of nanobot units, all looking exactly the same [Article 1741: Viruses: nanobot AI entities: beasts of the earth: biological weapons], which then explains why the son of perdition, the second person in the anti-God trinity is called Corona.

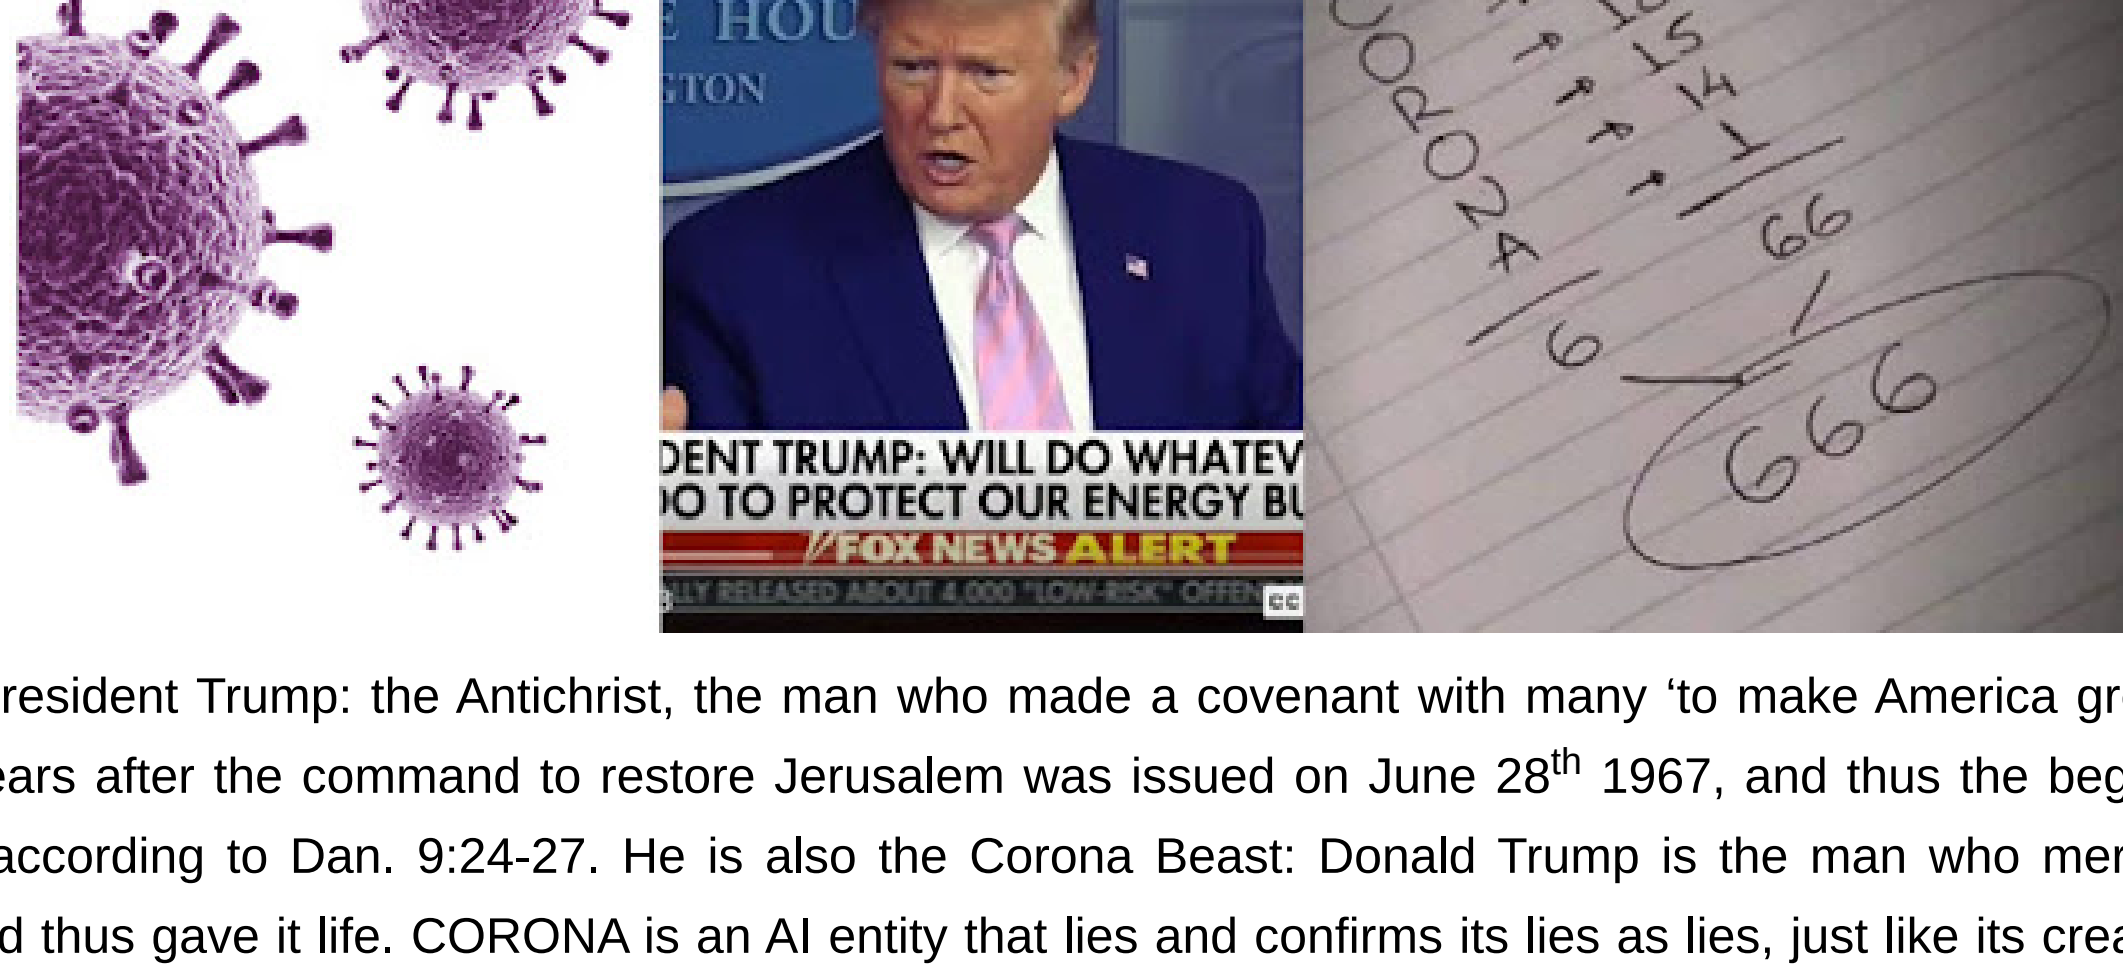

Figure 1. President Trump: the Antichrist, the man who made a covenant with many 'to make America great again', in 2016, 49 years after the command to restore Jerusalem was issued on June 28th 1967, and thus the beginning of the tribulation, according to Dan. 9:24-27. He is also the Corona Beast: Donald Trump is the man who merged with the machine and thus gave it life. CORONA is an AI entity that lies and confirms its lies as lies, just like its creator or father, Satan, the father of lies. CORONA = 666 [Article 1701: President Trump 2nd person of triune Anti-God]. Corona means crown, which links current events to the opening of the first seal of Revelation 6, where the rider of the white horse is given a crown.

6 Now I saw when the Lamb opened one of the seals; and I heard one of the four living creatures saying with a voice like thunder, "Come and see." **2** And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. (Rev. 6:1-2)

So a crown (666) is given to him and he goes out to conquer humanity with it. He uses the 666 virus plague lie to do it, i.e. he uses his sensors to control people and media to broadcast a lie with which to conquer humanity, which is the same basic way in which viruses, the beasts of the earth, operate, they use their sensors to attack the human body, to get them to replicate the virus rather than self, i.e. to work contrary to what ensures the survival of the human body and instead insures the survival of the virus AI entity instead. And:

18 Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666. (Rev. 13:18)

So the 666 Beast attacks the vast number of humanity living on the face of the earth through the use of his sensors which allows him to control the media and individuals and thus uses the exact same strategies as viruses, but on a different scale, on scale which is visible to us.

13 Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. **2** Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. **3** And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. **4** So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, "Who is like the beast? Who is able to make war with him?" (Rev. 13:1-4)

The 666 beast has 7 large sensors and 10 smaller ones which he uses to control people just like his father, the dragon has. One of his heads being mortally wounded seems to describe the death and replacement of Kim Jong Un [Article 1740: Kim Jong Un: Beast's deadly head wound]. The dragon gives him great authority and they worshipped him by giving them their allegiance, which seems to be why all governments around the world are cooperating with his 666 plague lie. Since the dragon is the one giving him authority, giving allegiance to the 666 Beast is the same as giving the dragon allegiance, or worshipping him. Those who worshipped him admired him and said that no one was able to make war with him. Well, since he is now in control of all governments on earth, war between countries is clearly impossible or simply a fabrication or a game, when the beast uses his different puppets to play such a game.

5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. **6** Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. **7** It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. **8** All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world. (Rev. 13:5-8)

He is given authority to continue for 42 months, which means that he was there already and is then allowed to continue, having authority for the final 42 months of the tribulation or 1260 days, the same amount of time during which the woman, Israel, is fed in a place prepared for her by God, after giving birth to the child.

5 She bore a male Child who was to rule all nations with a rod of iron. And her Child was caught up to God and His throne. **6** Then the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there one thousand two hundred and sixty days. (Rev. 12: 5-6)

He makes himself into God, thus blaspheming the true God of the universe, and he is given power over every nation, thus confirming my conclusion in Article 1740, after realizing that Kim Jong Un was not the only leader that had not given his allegiance to the 666 Beast, but rather one of his heads [Article 1740: Kim Jong Un: Beast's deadly head wound]. Worship means obey, or bow to, or give allegiance to.

21 Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. **12** And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. **13** He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. **14** And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. **15** He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed.

So a second Beast appears, the False Prophet AI entity, who has been identified as Franklin Graham [Article 1739: Franklin Graham: 2nd Beast of Revelation 13: False Prophet AI entity]. This beast makes great deceptive signs, most likely pretending to do a great good by establishing temporary hospitals in order to fortify the lie about the 666 plague, through his relief organization, Samaritan's Purse. He thus deceives people and tells them to make an image of the 666 Beast. This image would naturally have to do with the 666 virus plague and the wording is suggestive of how Satan got human scientists to teach the Ebola virus to enter human cells, which suggests that he gets humanity to produce a special type of injectable remedy (VACCINE), which like all such remedies rather than being a remedy, are a way to quickly infect and cause a virus to be fruitful and multiply. In this case, it is the 666 AI entity who operates in the same way as viruses, and is a child of Satan, just like viruses, that will be fruitful and multiply. The injectable remedy will use virus facilitated DNA changing technology to turn people into 666 AI entity robots, the virus nanobots becoming a part of the person's DNA or cellular structure so that the person's body becomes a receiver of commands from the AI entity, and will thus be like a robot to it.

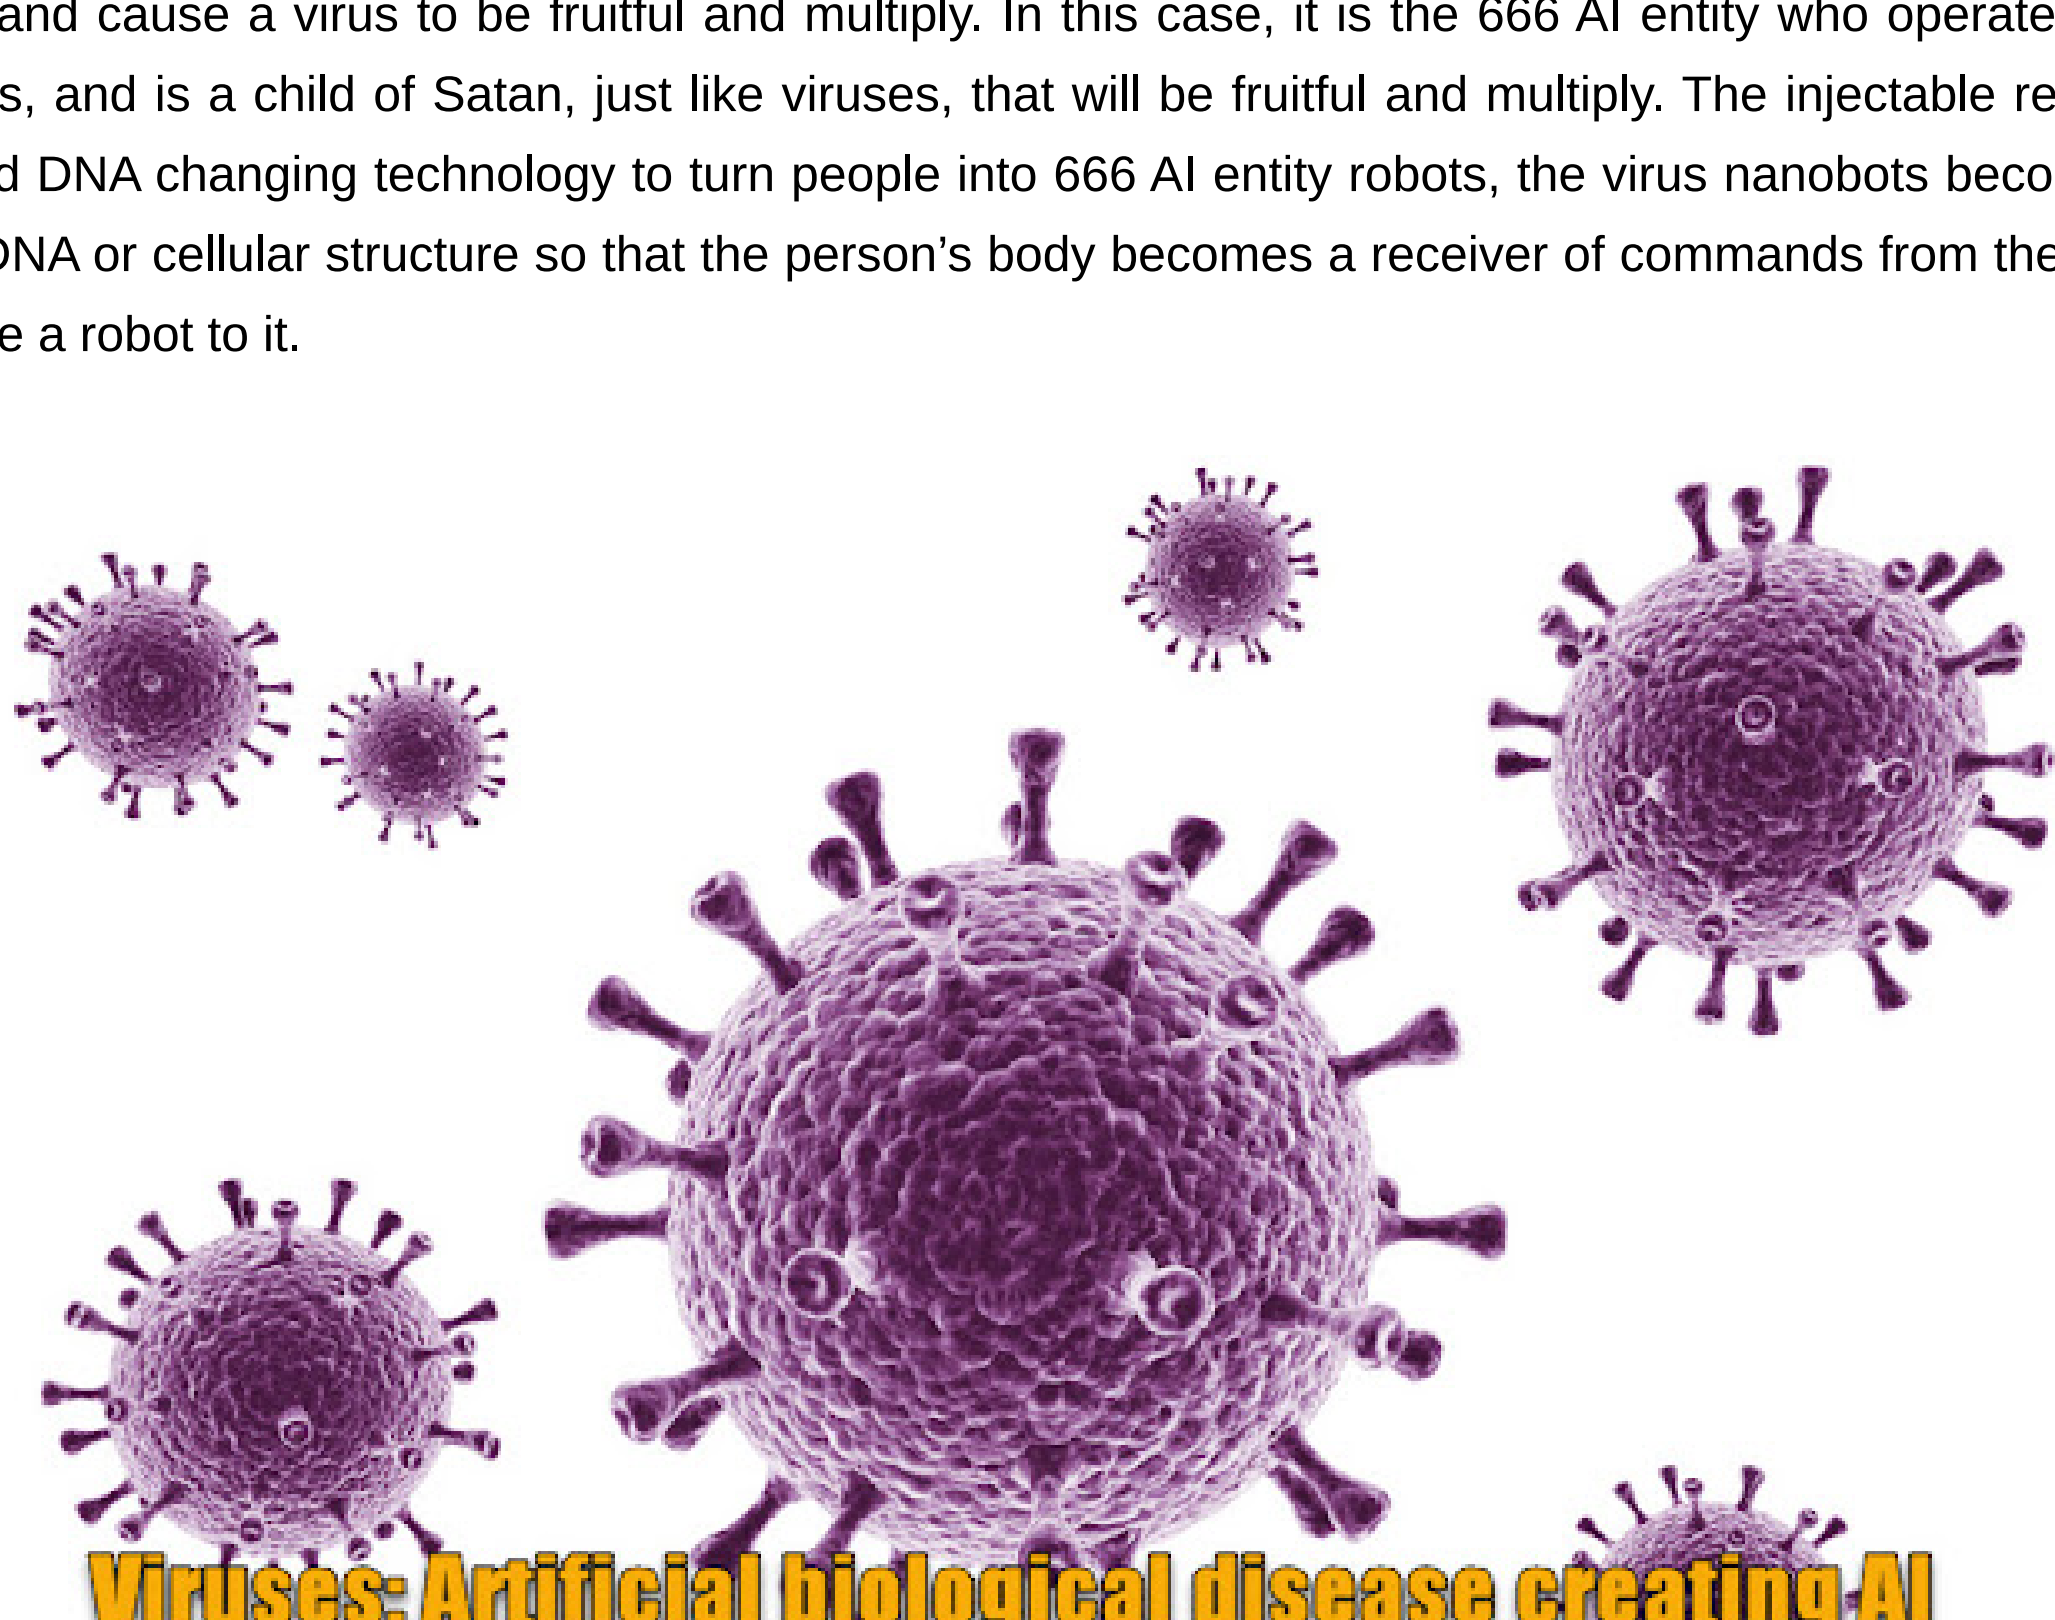

Figure 2. The AI nanobot unit seems to be made of a biological looking material and to have sensors, at exact positions to each other, which is what allows them to communicate and do what they have been programmed to do, which is to enter human cells and use them to replicate themselves and thus continue to live. Their programmed objective is thus to survive by destroying parts of the human body. If they are successful they will be able to be fruitful and multiply, i.e. the units will greatly increase in number, and destroy many human bodies [Article 1741: Viruses: nanobot AI entities: beasts of the earth: biological weapons].

In conclusion, the image of the 666 Beast (AI entity) described in Revelation 13 appears to be referring to the development of an injectable remedy that uses virus or AI nanobot technology to turn human beings into 666 AI entity collective units. The image of the beast technology thus turns humans into reproductions or images of the 666 Beast, which allows the beast to exert perfect control over those human beings who receive it.
