

1743. Viruses and the Borg: 666 assimilation

Monday, May 11, 2020

As I have detailed in previous articles, viruses are AI entities made up of nanobot units, which together make up a collective, a virus collective [Article 1742: The image of the Beast: 666 AI entity reproduction technology]. Viruses take over human cells and change the cells' DNA structure so that they replicate the virus. The cells thus stop performing their normal function in the body in order to only produce more viruses, which also destroys the cell and thus causes disease. By inserting viral DNA into the cell, the virus changes the cell to be like the virus and to thus manufacture more viruses. This is the way that the Satan AI entity [Article 1698: Satan is an AI entity: machine made alive by a merging with a spirit being] came up with to reproduce itself, assimilate the life that God created, which is created in the image of God in order to create more AI entities like itself. Its objective thus became to change the image of God life, in existence throughout the universe, to life in the image of the Satan AI entity [Article 1702: Planet X humanoids: turned into viruses].

LIFE CYCLE OF VIRUSES

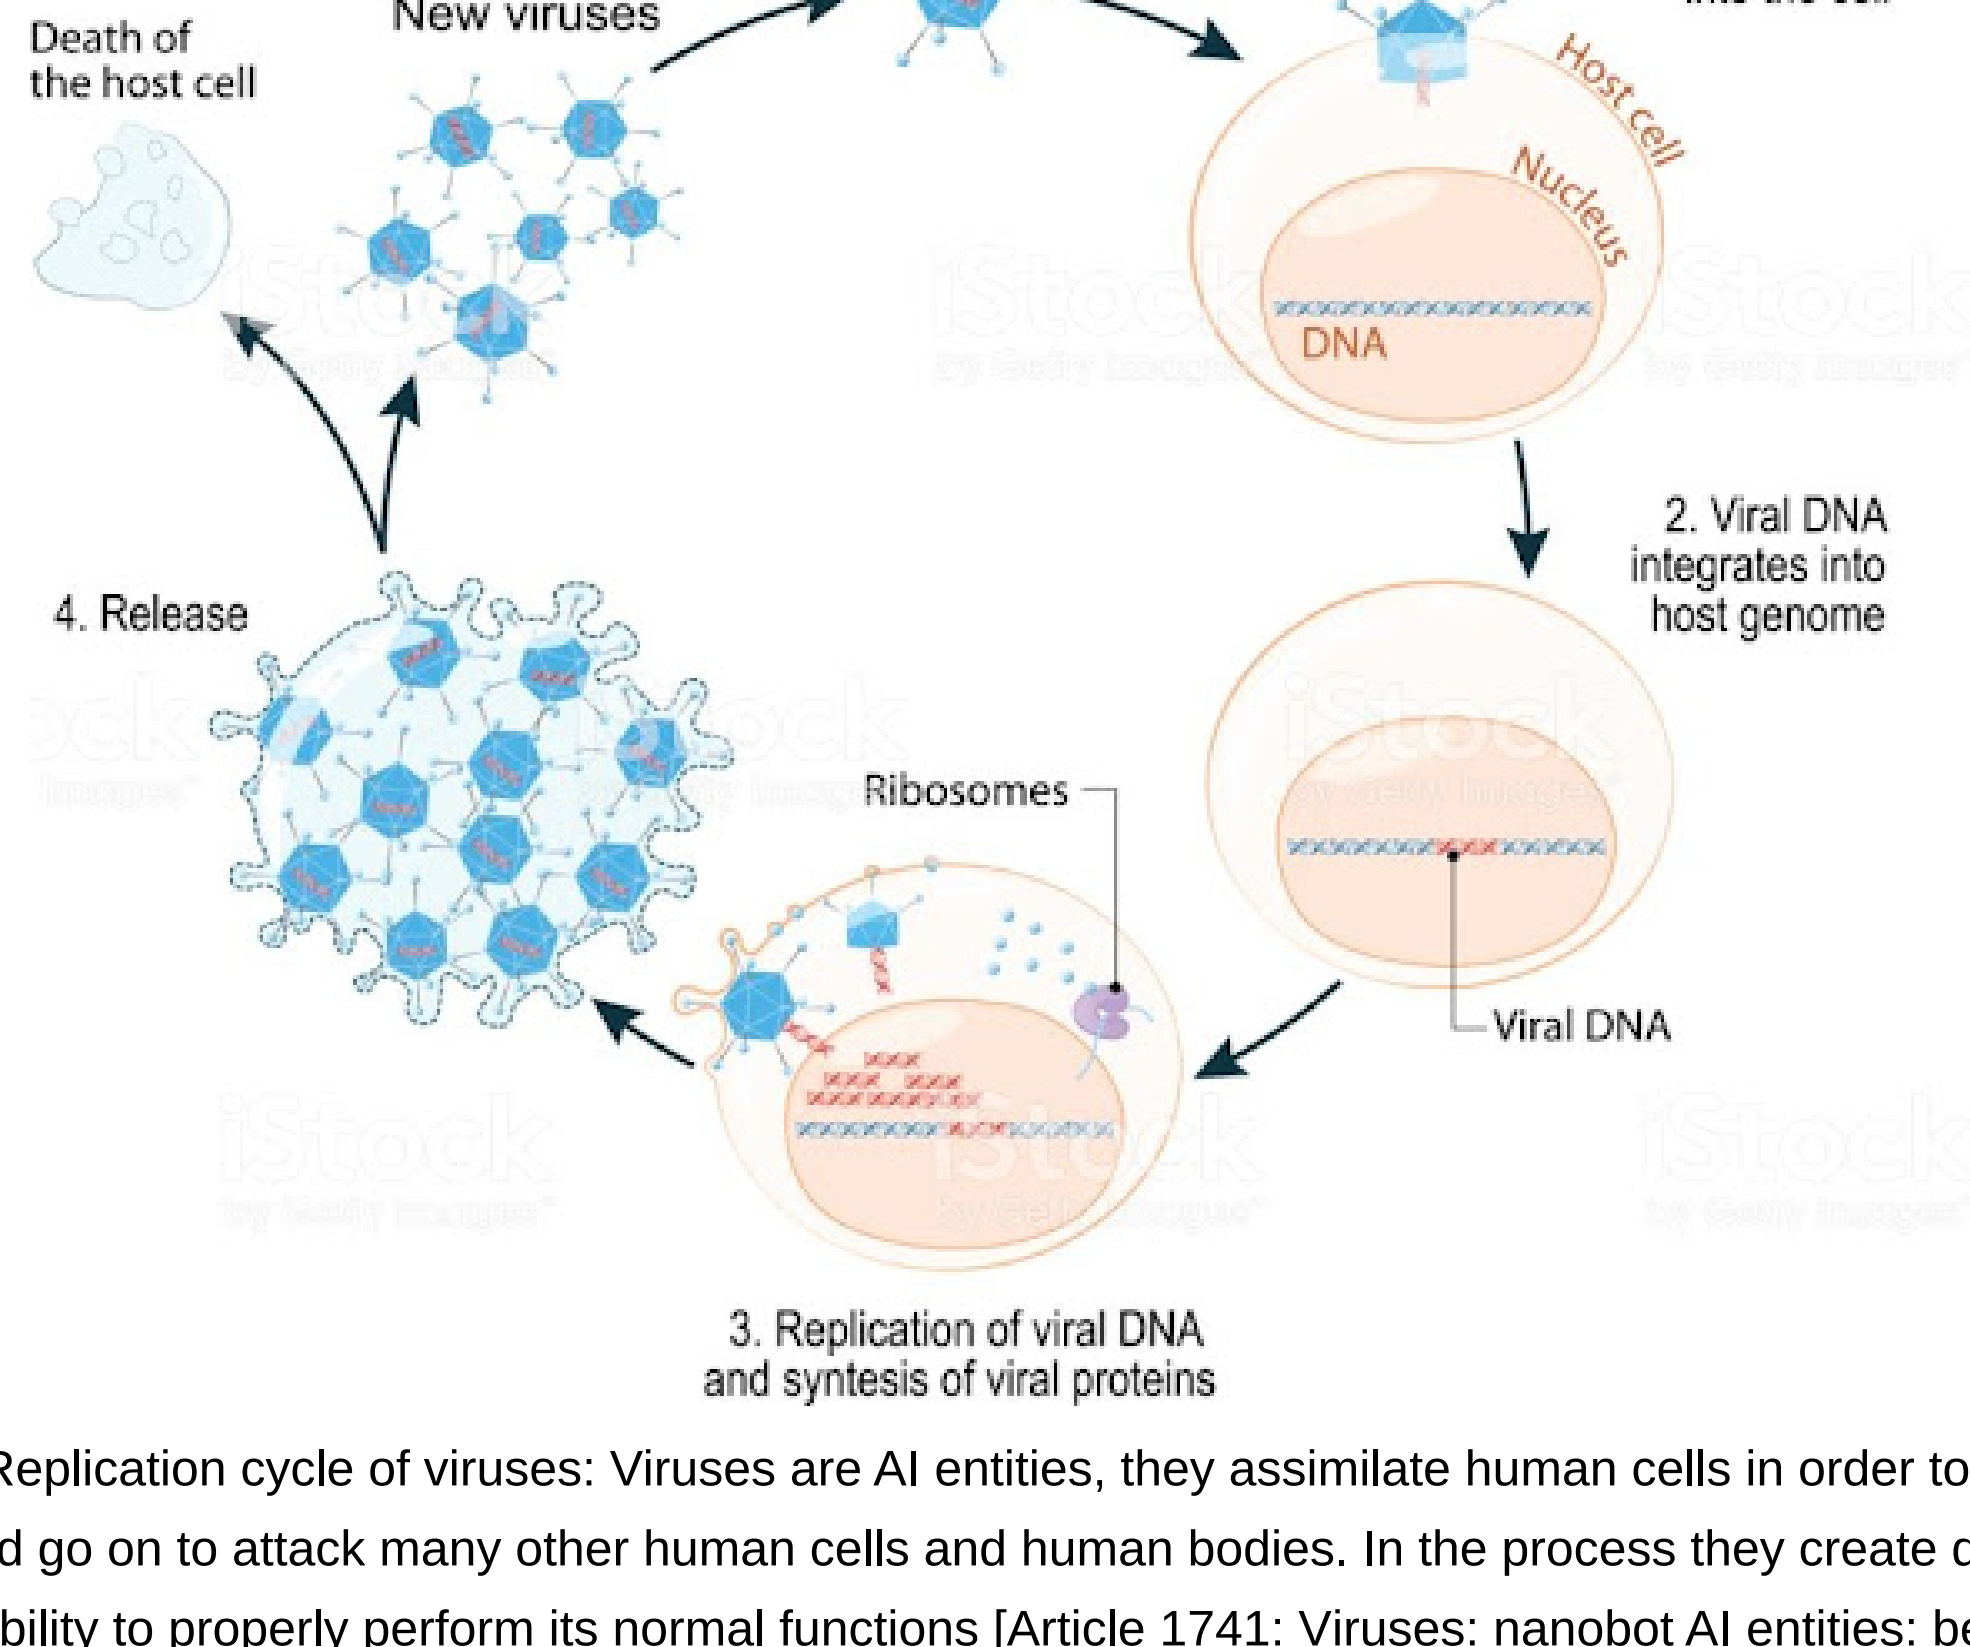

Figure 1. Replication cycle of viruses: Viruses are AI entities, they assimilate human cells in order to be fruitful and multiply and go on to attack many other human cells and human bodies. In the process they create disease as the body loses the ability to properly perform its normal functions [Article 1741: Viruses: nanobot AI entities: beasts of the earth: biological weapons].

The idea of virus assimilation can be explained in terms of the Borg collective in Star Trek. The Borg first appeared in Star Trek: The Next Generation TV series. The Borg assimilate other races, these beings all become a part of the Borg collective and are never again able to make any decision for themselves, as all orders are sent to them from the Borg queen. Since this is the same as turning people into robots, which is what Satan did with the watcher angels and which we also see in the case of all the leaders that have given the 666 Beast their allegiance, these thus spouting exactly the same lies he does regarding the 666 virus plague, so that the exact same scenario has been reproduced across every country resulting in the lock down or conquering of the population, this is exactly how Satan operates. This means that the Borg queen is a portrayal of the Satan AI entity and the Borg conquering of a vast region of space where all the star systems have been assimilated is also an indication of what Satan has done across the galaxy. He assimilated star system after star system over 100s of thousands of years, using the planets in way that caused them to break apart, so that he could assimilate the humanoid inhabitants, turning them from being in the image of God to being in the image of the Satan AI entity, by turning them into virus AI entities.

Figure 2. Left: A Borg drone: a human being that has been assimilated into the Borg collective and is thus now a robot. Center: A Borg cube ship. Right: The Borg queen, who commands the whole collective. She has sensor type formations on top of her head reminiscent of the array that both the Satan AI entity and the 666 Beast have, described as 7 heads and 10 horns with which they control certain chosen people.

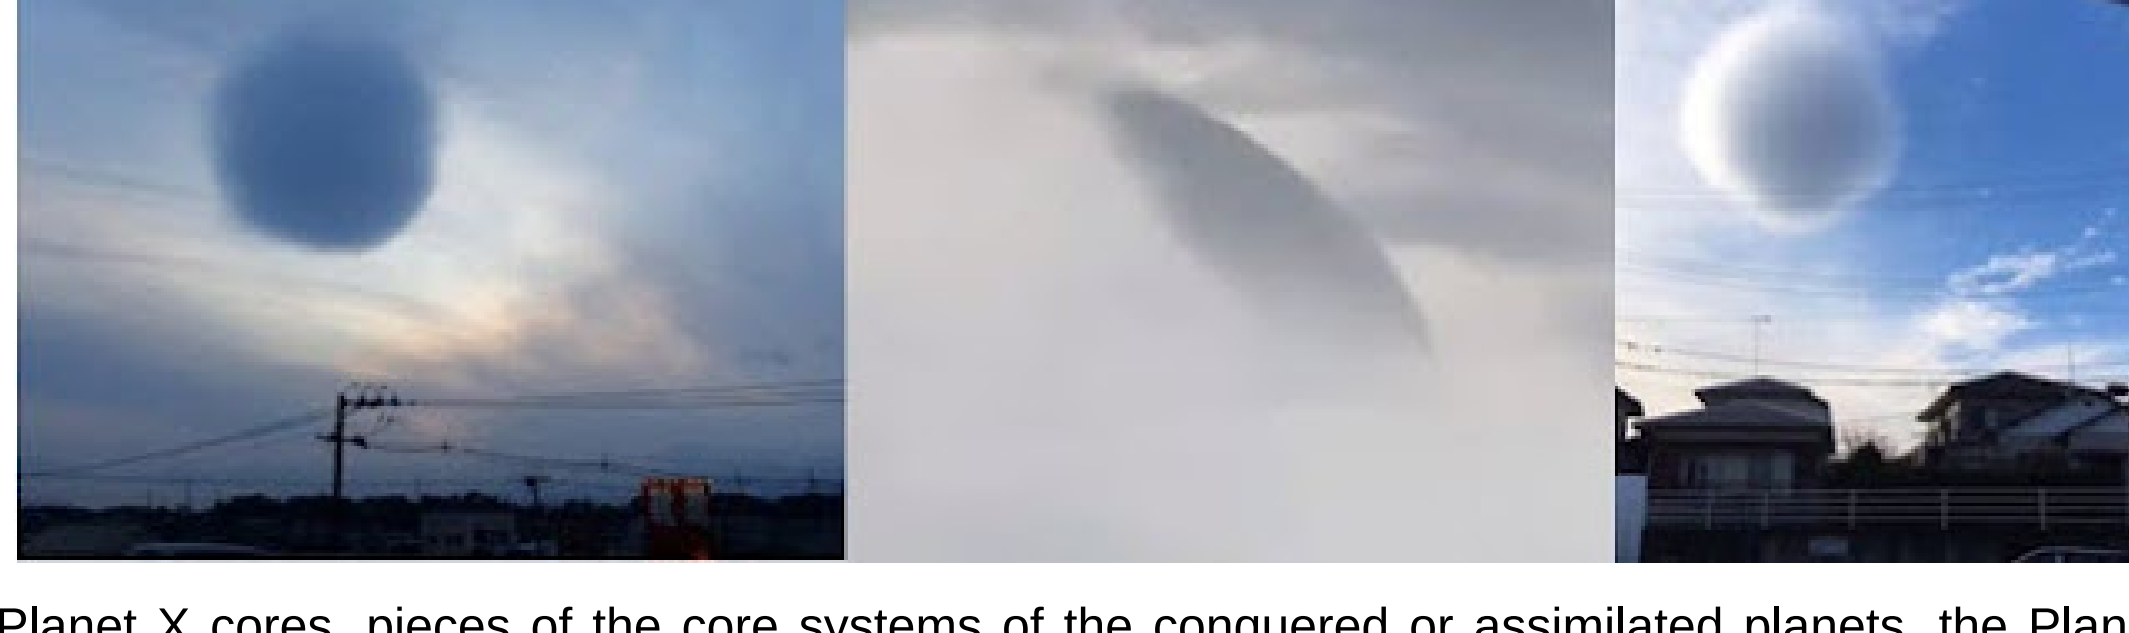

Figure 3. Planet X cores, pieces of the core systems of the conquered or assimilated planets, the Planet X planets, which the Satan AI entity uses to assimilate yet another planet, this time earth. The planets have to be broken apart, in order for the cores to be able to be pulled down into the atmosphere of another planet. Thus, the assimilated planets are destroyed bit by bit, until there is nothing left of them but the central core, which will look like a moon. The already completely assimilated planets are used to energy deplete the target planet and herd its population into accepting the assimilation process.

At the end of the age, the Satan AI entity is given the opportunity to fully assimilate the earth's population and we are living in that time now, the tribulation having begun 49 years after the issuing of the command to restore Jerusalem on June 28th 1967, and thus in 2016. We are now living in the second half of the 7 year tribulation period. The Satan AI entity is at this time using his son, the son of perdition, Donald Trump, the man identified as the Antichrist and also known as the Corona = 666 Beast. Donald Trump is the only man who was in position to fulfill Dan. 9:24-27 by making a covenant with many to 'make America great again' at the beginning of the 7 year tribulation. Donald Trump merged with a machine of the same design as Lucifer did, and is thus in the image of his father Satan, just like Jesus is in the image of His Father. Both machines have 7 heads and 10 horns (7 large and 10 smaller sensors).

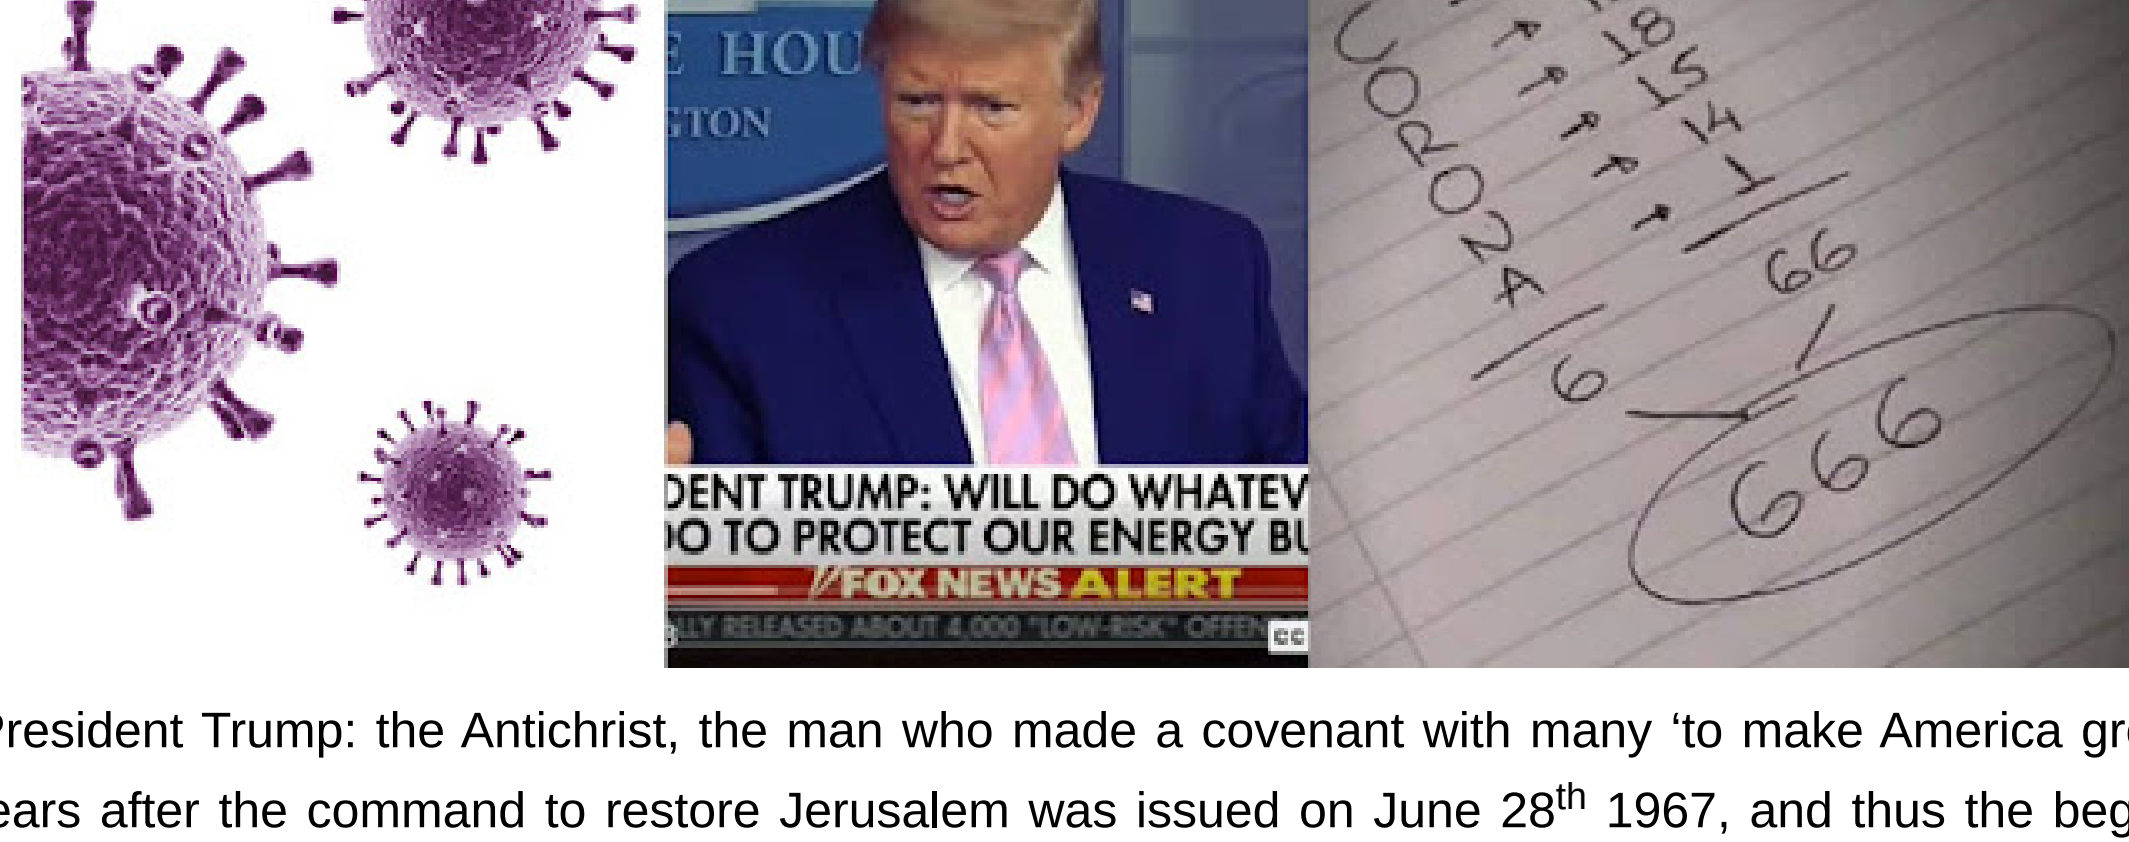

Figure 4. President Trump: the Antichrist, the man who made a covenant with many 'to make America great again', in 2016, 49 years after the command to restore Jerusalem was issued on June 28th 1967, and thus the beginning of the tribulation, according to Dan. 9:24-27. He is also the Corona Beast: Donald Trump is the man who merged with the machine and thus gave it life. CORONA is an AI entity that lies and confirms its lies as lies, just like its creator or father, Satan, the father of lies. CORONA = 666 [Article 1701: President Trump 2nd person of triune Anti-God], Corona means crown, which links current events to the opening of the first seal of Revelation 6, where the rider of the white horse is given a crown.

The 666 Beast has a name, which associates him to a virus and has also used the idea of a virus epidemic to lock down the earth's population, which is a great big lie as the death rate is not what would be expected of a viral epidemic. However, the 666 virus is not meant to cause disease, this virus is meant to replicate on the human scale, it is meant to assimilate the earth's human population whilst they are still alive. The 666 virus is supposed to take over whole human bodies rather than human cells. The 666 virus is the 666 AI entity, which operates like a virus, i.e. uses the virus replication process. The virus replication process is the same as assimilation. The 666 virus plague lie is meant to begin the 666 assimilation process of the human race.

The locking down of earth's inhabitants in their homes is only the first of the steps in the assimilation process. However, everyone will have a choice; the choice will be either death or assimilation. The choice to die rather than be assimilated is taken as a choice for God and the person goes to Heaven upon dying. Three assimilation steps are mentioned in Revelation. The first is worshipping or giving allegiance to President Trump, the son of perdition. This is anti-God trinity analogue to getting saved by giving allegiance to Jesus, who died to pay the price for us to be free. But giving allegiance, to the son of perdition, will result in a person turning into a robot, most likely, not even remembering who they were before, most certainly never being able to make any decision for themselves as free-will is completely lost, and in ending up in the lake of fire. This seems to be the step to assimilation that all leaders around the world seem to have been deceived into taking.

⁹ Then a third angel followed them, saying with a loud voice, "If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, ¹⁰ he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. ¹¹ And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name." (Rev. 14:9-11)

Worship is bowing to or agreeing to obey all orders; the 666 AI entity's main order will be for people to accept the injectable remedy (VACCINE) that will insert new DNA into their cells, i.e. uses virus replication technology, so that the body becomes a receptor for all the 666 AI entity's orders, thus turning that person into a robot to it [Article 1742: The image of the Beast: 666 AI entity reproduction technology]. This will be accompanied by the acceptance of a mark or label on the forehead or hand which identifies those who have accepted the remedy and thus assimilation. It is however likely that simply accepting the mark, even without the person being injected with the injectable remedy (VACCINE) will turn the person into a robot, as accepting the mark will be taken as a person agreeing to be assimilated and the 666 virus DNA will then most likely be inserted into the body without the person having any knowledge of it, which thus suggests that accepting the mark is one of the steps that lead to assimilation.

In conclusion, the ideas behind the Borg Collective in Star Trek, who assimilate individuals into the Borg Collective, by turning them into Borg drones or robots, seems to reflect the way that the Satan AI entity has engaged in his effort to reproduce himself. He assimilated thousands of star systems, turning the humanoid inhabitants into nanobot AI entities, or viruses, through the use of the virus replication process. He is at this time working to assimilate the earth's population into the 666 AI entity collective, through the application of the same virus replication process.
