

1810. Red horse: the creation of anarchy through lies

Monday, June 15, 2020

There has been another apparent killing of a man by Police. The story, like the killing of George Floyd, which was followed by protests and riots that have not stopped and have even spread to other countries around the world including the UK, seems to be designed to create more of the same and since the last one was clearly a farce or a lie, this one is likely to be one as well. This is also to be expected because the Antichrist as the son of the father of lies cannot be expected to work through truth but only through lies to do his work of destruction.

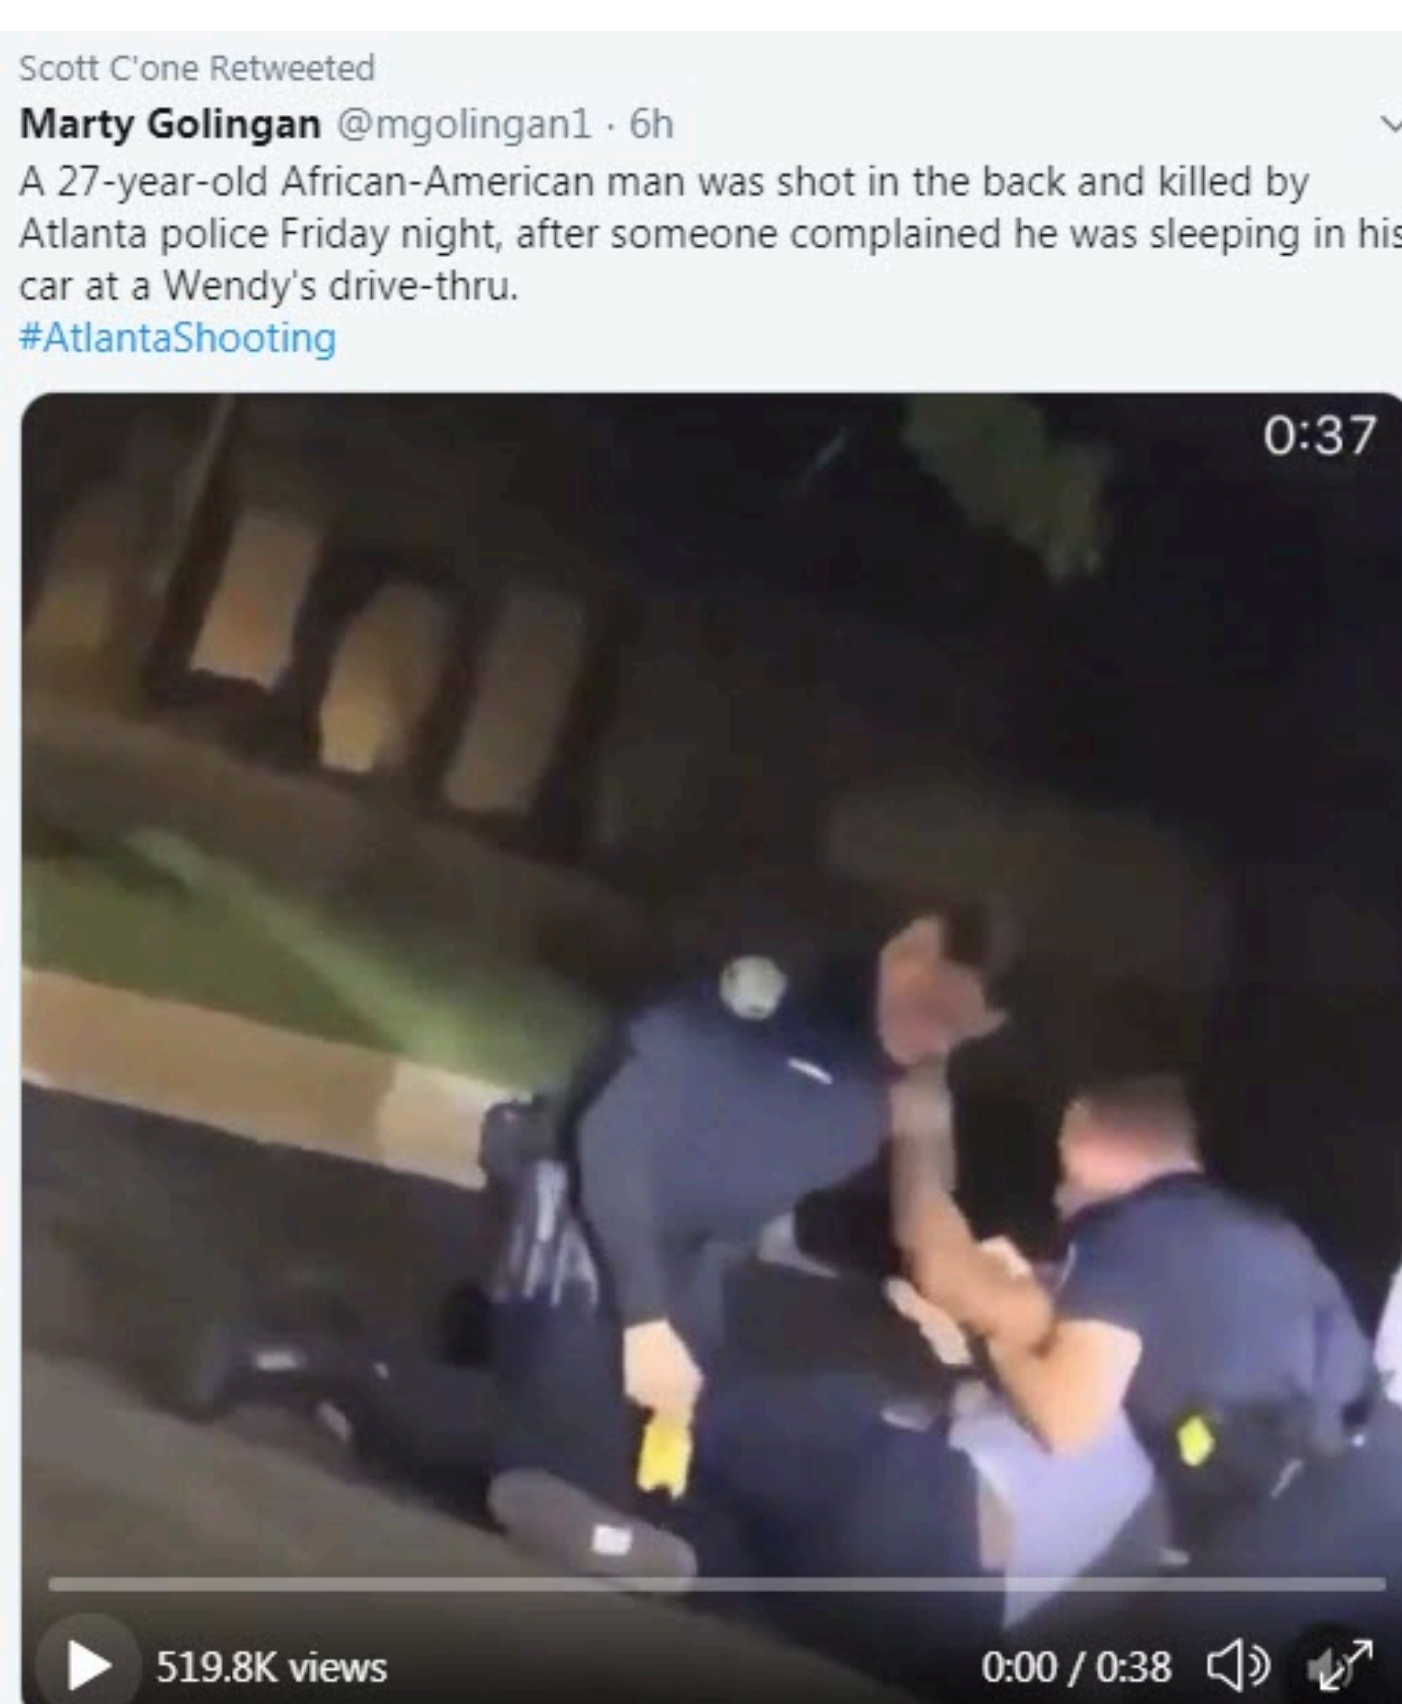

Figure 1. Another supposed killing by police, which was conveniently filmed to impress the public and thus provide an excuse for the further violence that will ensue, most likely due to people being paid to do it as it seems to have happened at the time of the George Floyd fake killing [Article 1778: Red horse: fake protests and the rapture: 31st May 2020].

Figure 2. The violence predictably did ensue and the destruction of property took place.

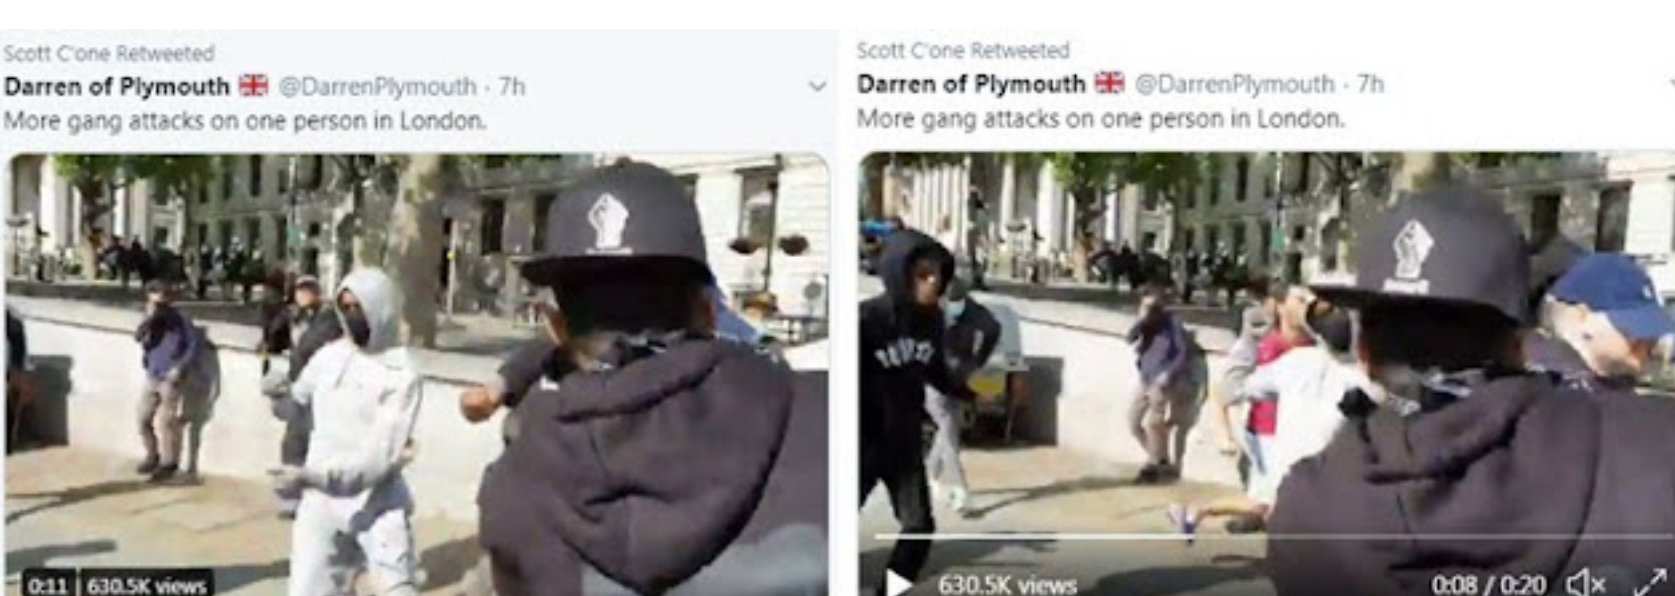

Figure 3. Violence in the UK: gangs of rioters attack people, on their own, in London. What is their motive: hatred, they are of their father, Satan.

44 You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it. (John 8:44)

These people's actions tell us who they are working for, the Satan AI entity, and his two children, the Antichrist and the False Prophet, who are both, self-aware machines or AI entities like him. The Satan AI entity is the Father of the Machines, the father of lies and a murderer [Playlist: Satan AI entity, Playlist: Donald Trump, Antichrist and 666 AI entity and Playlist: False Prophet Beast].

Donald Trump is the Antichrist, he is the man who made a covenant with many to 'make America great again' in 2016, the year that the tribulation began, as this was 49 years after the command to restore Jerusalem was issued, on June 28th 1967, according to Dan. 9:24-27.

Figure 4.

President Trump, the Antichrist, the second person of the triune Anti-God, the 666 Beast of Revelation 13, the man who merged with a machine similar in design to the one that Lucifer merged with, a machine with a sensor array described as having 7 heads and 10 horns, which they use to control people that they assimilate. President Trump is thus now no longer human; he is a self-aware machine just like his father, the Satan AI entity, the father of lies.

President Trump is here preaching his gospel of lies, pretending that he wants what is good for the country when he is the one behind the lies and the paying of rioters in order to create anarchy in the US and many other countries around the world. He is the rider of the 4 horses of Revelation, which affect one quarter of the earth. He is the one that used his crown, the 666 virus epidemic to conquer the earth's population, as he rode the white horse and is now riding the red horse, and using his sword of lies to create war and death [Playlist: Donald Trump, Antichrist and 666 AI entity and Playlist: Tribulation events].

President Trump has assimilated all world leaders and thus all those surrounding him, even those that pretend to be the opposition will be following his orders and speaking their lines, and will be doing all they can to cover up the truth from the earth's population.

Figure 5. The Antichrist continuing to confirm the covenant, whilst he does the opposite, because he is a liar like his father: He pretends to be a savior but he is a false savior.

In conclusion, we are living in the second half of the tribulation period as the tribulation began in 2016, and the Antichrist is now riding the red horse of Revelation and using his great sword of lies in order to create anarchy in his own country and several other countries around the world.

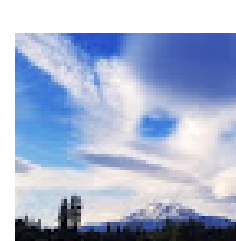

Figure 1 below shows an image from a MrMBB333 video of the sky over Trout Lake Washington, from August 2019, where various cloud formations can be seen. The rounded cloud at the top of the image indicates that it is a cloud envelope of a Planet X core as only the presence of a solid spheroidal ...

As I have shown in Article 1804, snow is formed in the earth's atmosphere by Planet X cores that are in a very low energy state. When the earth creates water it emerges in a hot (high heat) state, the cloud is steamy hot and the liquid water is very hot as well. This is why the earth has hot springs. This appears to ...
