

## 1830. Cloud cloaked spacecraft in the sky

Sunday, July 05, 2020

Figure 1 below shows a photograph of the sky sent to me by Timmy where several straight lines can be clearly discerned, two of which seem to be making a right angle. A straight line can only be due to some artificial device or craft being in the sky and since the craft seems to be made of cloud, it would have to be an object cloaked in cloud, i.e. technology is being used to purposely create cloud on the surface of the craft in order to camouflage it.

**Figure 1.** Several straight lines in this photograph indicate the presence of a craft in the sky, which is cloaked in cloud.

**Figure 2.** A large concave mirror inside the earth's atmosphere cloaked in cloud (Source: YouTube Video by Sky Watchers, from 5 April 2019, entitled: THE MYSTERIOUS SKIES ARE SHOWING RIGHT HERE).

The cloud cloak suggests that the devices are producing sound waves on their surfaces of the same frequency as the ones created by an airplane approaching the speed of sound, which then causes cloud to form.

**Figure 3.** Airplane approaching the speed of sound: cloud forms along the sound wavefronts which are keeping up with the plane and are being sharply compressed thus producing a very high frequency and consequently a very high energy, which then leads to cloud being created around the airplane [Article 1813: Creating matter with sound waves].

In conclusion, a photograph of the sky with clear straight lines are an indication of artificial devices or craft being in the sky and cloaked with cloud, which is most likely produced by the generation of high frequency sound waves on the surface of the craft.

As I have shown in previous articles, Lucifer after deciding that he wanted to be like God, built a machine capable of reading and sending out information to billions of minds at the same time and then merged with it. At that point, a new entity came alive and became self-aware. The machine was not ...

Figure 1 below shows a photograph of the sky over Puyallop, Washington, sent in by Mike, of the sky, on June 16 th 2020. The cloud is in the form of a two dimensional surface of clumpy cloud, which is an indication that it has formed on the surface of a Planet X planet, or what is left of it, since the planet ...
