“This know also, that in the last days perilous times shall come.”

Apostle Paul to Timothy

I personally write to you as World War III intensifies and has spread to the Middle East. Apostle Paul warned Timothy that “perilous times” shall come in the last days. The Greek word for “**perilous**” is “chalepos.” It means “hard to bear, troublesome, harsh, fierce, violent.”

Instead of “**perilous times**,” various versions translate the Greek words as:

- **Difficult times**
- **Times of difficulty**
- **Terrible times**
- **Harshly difficult times**
- **Grievous times**
- **Dangerous times**

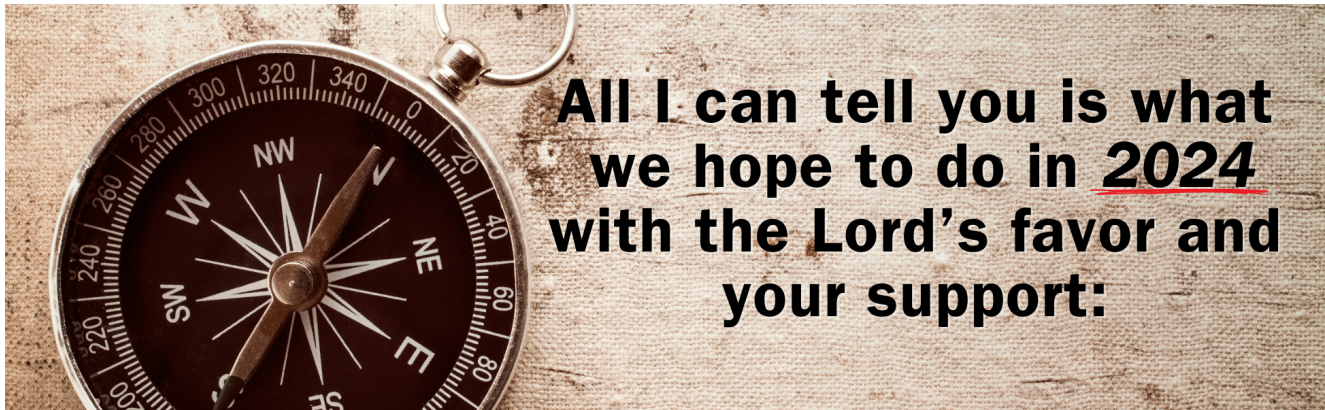

The Amplified Bible says it best: **“But understand this, that in the last days dangerous times of great stress and trouble will come, difficult days that**

will be hard to bear.”

You are getting my message. We have entered dangerous times of great stress and trouble. It started in 2020 with the manmade bio-engineered coronavirus and the accompanying gene operating systems that were injected into hundreds of millions of people under the guise of COVID-19 vaccines. Every day healthy people in their twenties and thirties drop dead from the “vaccines.”

World War 3 officially started in February 2023 when Russia went to war with Ukraine. The Middle East theater opened on October 7 when Hamas attacked Israel. The atrocities on both sides have been horrendous. We are witnessing Satan’s murderous spirit at work.

What will happen in 2024? **Only God knows.**

Grow and Expand Faith & Values

The launch of F&V has been tremendously successful. We are eager to **expand** this vibrant community by enhancing its features, adding new content, and providing more valuable resources.

HELP US EXPAND FAITH & VALUES

Build a Network of Daniel 11 Microchurches

Building the Faith & Values platform was necessary before launching the Daniel 11 microchurches. The platform will provide an online home for hundreds – hopefully thousands – of home-based cell churches around the world. There are millions of sincere Christians who have dropped out of the organized church world. **We believe they can be reconnected to the Body of Christ** by inviting them to attend small-group home church meetings.

HELP US LAUNCH MICROCHURCHES

I estimate these three big goals will require us to raise an ***additional \$1,000,000*** in 2024. You stood with me throughout 2023. **Can I count on you to help me build these three BIG projects?**

I humbly ask you to give a super-generous gift to Faith & Values in the final weeks of 2023 so that we can charge into 2024 with ample finances to hire the team needed to build and manage these projects.

May our Father richly bless you in all ways.

His Servant,

Rick Wiles

Thank you for your continued support!
