Science Proves the World's "Jews" are Not the Seed of Abraham but are the "Synagogue of Satan"

DNA Unearths Stunning Secret: JEWS ARE KHAZARS!

"I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan"
— Revelation 2:9

Once again, God's Word proves to be correct, and men everywhere are confounded. Many Christians believed that the people who, today, claim to be Jews, descendants of Abraham, were exactly what they claimed. They told us they were "the Chosen," "the Apple of God's eye." They insisted that their ancestors, their founding fathers, had been given title to the land of Israel in the Old Covenant made over 5,000 years ago, and many believed them.

They shouldn't have.

Christians should have read their Bibles and believed what God says. The Apostle Paul warned us there to beware of "the foolishness of genealogies." He told us not to heed "Jewish fables." He even made it clear that the Old Covenant had been replaced by the *New Covenant*, which was Jesus Himself. He stated that, "Here we have no continuing City," that it was the *heavenly Jerusalem* to which the prophets and saints were looking toward. Yes, that was the *Promise* God made to Abraham and to us, His Children, the Saints.

God Identifies Those Blasphemers Who Are the Synagogue of Satan

As for those who claim to be "Jews," who insist that they and their race alone are "God's Chosen" and have the Promise, Jesus did not mince words. He said, twice in *Revelation*, that these were not His people. They are liars, "blasphemers," said our Lord and Saviour:

"I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."
(Revelation 2:9)

"Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee."
(Revelation 3:9)

Do you, dear Saints, believe what Jesus Christ said? Do you believe the Word of God? Do you have the Promise given only to those of Faith? Are ye of Christ? Then, says the Scripture, regardless of your race, are ye "Abraham's Seed and heirs according to the Promise" (*Galatians 4:28-29*).

This is the indisputable Word of God, and now science—DNA Science—has confirmed its amazing truth. DNA Science, the mathematics of God, has confirmed that Jesus was absolutely telling us the truth: "...them which say they are Jews" are not Jews but are the Synagogue of Satan.

Texe Marrs releases his newest bombshell: *DNA Science and the Jewish Bloodline*, now available through *Power of Prophecy*.

This fact—that modern DNA science proves the Word of God correct—is the subject of my startling new book, *DNA Science and the Jewish Bloodline*. This is a book you must have. It proves absolutely that the people who identify themselves today as "Jews" are not Jews—they are the Synagogue of Satan, just as the Bible says!

DNA Research Brings the Truth

The undeniable evidence of this has become clear with the advent of DNA research. In 2001, Dr. Ariella Oppenheim and her team at Tel Aviv University released their study which found that the "Jews" were mainly Khazars, from Khazaria, a Caucasus country which is now called Kazakhstan, Georgia, and other names. The Khazarians converted from pagan religions to talmudic Judaism after the 8th century, but of course, racially they remain Khazars.

The Khazars were and are a genome that is mainly Turkish and Mongolian blood.

Thus today, when you see a "Jew," what you are actually encountering is a Khazar who practices Judaism. The Khazar has no Israelite blood. His ancestors are not the Israelites of the Bible. They did not worship the God, Jehovah, but instead literally were a phallic cult. They worshipped Satan by means of the male penis idol. The Khazars were never in the land of Israel. They are not the seed of Abraham. They have no promise from God. Now we know this as absolute scientific fact.

In late 2012, yet another Israeli-born scientist, Dr. Eran Elhaik, of the McKusick-Nathans Institute of Genetic Science, Johns Hopkins Medical University, published his research in *The Journal of Biology and Evolution*. Considered by geneticists worldwide as the "definitive study" and peer-approved, this authoritative research confirmed Dr. Oppenheim's earlier findings and went even further.

Dr. Eran Elhaik

"There are no blood or family connections among the Jews," reported Dr. Elhaik. "The various groups of Jews in the world today do not share a common genetic origin. Their genome is largely Khazar."

"Whatever Israelite blood the Khazar Jews have," added Dr. Elhaik, "is miniscule."

Like Dr. Oppenheim, Elhaik's research connected today's Jews to the Turkic clans of Khazaria, in the Russian Caucasus.

The facts are: Israel and America are populated by people saying they are Jews who are not Jews! They are Khazarian. When Israeli Prime Minister Benjamin Netanyahu claims, "God gave this land to our Israelite forefathers," he is not telling the truth. When today's Khazar Jews say they possess the land of Israel as a divine right, they are sadly mistaken.

Indeed, Elhaik and Oppenheim found that the Palestinian people may have more Israelite blood coursing through their veins than do the people who say they are Jews! A DNA test would no doubt confirm this eye-popping fact.

Jesus Christ is the Authority

The Christian evangelicals have been duped. If only they had read and believed Jesus Christ—He told them what to look for in *Revelation 2:9* and *3:9*. He said that those who claim to be Jews are not Jews but are "blasphemers" and the "Synagogue of Satan."

The Khazars are not Jews, but they do practice Judaism. Like the Jews, their Babylonian Talmud and Kabbalah are satanic books which they insist are greater than the Torah and the Holy Bible. These heinous texts brand Jesus a magician, liar, and a bastard burning in hell today. These texts admonish Jews to "kill the best of the Christians" who, it is claimed, are idolaters.

Khazar Jews in 1876. DNA studies show that today's Jews are descendants of the Khazars.

Is this not "blasphemy?" Does this not prove the Bible is telling you and me the absolute Truth? The Khazars despise and persecute Christians. They are, indeed, the Synagogue of Satan.

My New Book: DNA Science and the Jewish Bloodline

In my new book, *DNA Science and the Jewish Bloodline*, I fully examine the Khazars, including the story of how they converted to Judaism, and I provide all the evidence on the DNA studies. In this first ever book, I quote not only Dr. Elhaik and Dr. Oppenheim, but also other famous genetics researchers.

I also introduce the writings and research of top Israeli and Jewish (Khazar) historian, Arthur Koestler, whose book, *The Thirteenth Tribe*, is a classic, and Shlomo Sand, history professor at Tel Aviv University, whose recent scholarly book, *The Invention of the Jewish People*, was a *New York Times* bestseller.

You will even read what Dr. Benjamin Freedman wrote about the Khazars and the Jews back in the 1950s, in his well-known treatise, *Facts are Facts*.

Modern-day Khazars in Israel falsely claim right to the land.

Best of all, *DNA Science and the Jewish Bloodline*, explores the utter truth of God's Word. What did Jesus and the Apostles have to say about this vital issue?

Paul, for instance, who told us to pay no attention whatsoever to "foolish genealogies" but only to the cross of Jesus. Paul cautioned: "For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh" (*Romans 2:29*).

Through inspiration of God, Paul wrote an epistle telling us that all, Jew and Gentile, who have faith in Jesus are "Abraham's seed and heirs according to the Promise" (*Galatians 3:26-29*).

That dear friends, is an indisputable fact that the world's greatest mathematicians and scientists cannot deny. It is the answer to every Christian who, reading the pages of *DNA Science and the Jewish Bloodline*, asks, "If the Khazars are the Jews, are there really any Jews in the world today?"

The Bible says if you belong to Jesus, your race or ethnic origin is of no consequence whatsoever. You are born again. You are a new person in Christ.

We now know the Bible means what it says. *Now everything changes.*

DNA Science and the Jewish Bloodline

Today, DNA science reveals that almost all the Jews in the world come from Khazaria. They are not of the blood lineage of Abraham and the prophets, but of King Bulan and the pagan peoples of the Caucasus. The ancestors of today's Jews are not Israelites but are Khazarians.

Khazaria's people, in the 8th century, converted from paganism to Judaism. In the 10th century, these Khazarian "Jewish" converts emigrated to Eastern Europe, and especially Poland and Lithuania.

In 1948, the Khazars, erroneously believing themselves to be "Jews," arrived in the territory of Palestine and set up the state of Israel. DNA science joins recent discoveries in history and archaeology to present the world with a correct and remarkable picture of the Jewish people. *Now, everything changes!*
