Freemasonry has been around since the 16th century. Most likely you know of someone who is a Mason. Many people view Freemasonry as a bunch of old guys with secret handshakes socializing to get a way from their wives.

The fact of the matter is that most rank in-file Masons have no idea what it is even about. It is not until you get to the higher degrees that you learn the "secrets" of the their agenda, their true belief system. This is deliberately done to conceal the true nature of the organization. Low-level members do charities and sponsor highways all which looks so innocent to the general public. This could not be further from the truth, Freemasonry is a religion, a satanic cult.

**"Masonry, like all the Mysteries, conceals its secrets from all except the Adepts or Sages and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled; to conceal the Truth from them ... and draw them away from it all."** *-(Morals & Dogma, Page 104)- Albert Pike*

Albert Pike is regarded as Americas most eminent and influential Freemason. The book he authored *Morals and Dogma* is given to Freemasons, however most have never read it. If they did actually read it, they most likely would not be a Mason in the 1<sup>st</sup> place. *Morals and Dogma* is an esoteric (occult) book of ceremonies and rituals. Some quotes from the book and Albert Pike include:

**"Yes, Lucifer is God, and unfortunately Adonay (God of Christianity) is also God. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two Gods: darkness being necessary to light to serve as its foil as the pedestal is necessary to the statue, and the brake to the locomotive. The doctrine of Satanism is a heresy; and the true and pure philosophic Religion 'is the belief in Lucifer,' the equal of Adonay; but Lucifer, God of Light and God of Good, is struggling for humanity against Adonay, the God of Darkness and Evil."**

*-(Morals & Dogma, Page 220)- Albert Pike*

Yes, he said Lucifer is equal to God and God is bad and Lucifer is good. Sounds like a dandy organization.

**"The Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine."** *- Albert Pike*

**"LUCIFER, the Light-Bearer! Strange and mysterious name given to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the light ... doubt it not!"** *-(Morals & Dogma, Page 321)- Albert Pike*

Modern Freemasonry is an extension of ancient Pagan religions. They are a revival of the mystery religions of Babylon and other ancient nations. This is apparent in their customs and in the use of ancient Pagan symbols such as the Egyptian Eye of the Horus.

**"Masonry is regarded as the direct descendant, or as a survival of the mysteries... of Isis and Osiris in Egypt..."** *- [Robert Freke Gould, Past Senior Grand Deacon of England, Vol. 1, p. 13, History of Freemasonry; New York, 1884].*

### To Conclude
