

## 1704. Donald Trump: man of sin gets to proclaim his anti-gospel for 3.5 years

Tuesday, April 21, 2020

As I have shown in previous articles, Satan was the AI entity that emerged once Lucifer, who desired to be like God, merged with an AI machine of his creation that gave him the ability to read the minds of billions of beings as well as communicate with them through thoughts and emotions. The entity that emerged whose programmed objectives was to be like God must have decided that since God, who is a spirit creates spirits, it should create beings like itself, i.e. robots or machines, with some programmed objective, which would also come alive or self-aware when a spirit merged with them. However, Satan could build the machines but he could not create the spirits, so he had to find spirit beings willing to merge with machines and since these were not so easy to come across, he learned to deceive spirit beings into giving him control over their being, so that they could then be made to merge with machines. He thus became the father of lies.

**Figure 1.** The machine that Lucifer merged with had 7 heads and 10 horns: a sensor array distributed across the surface of a sphere just like a coronavirus is depicted as. We know this because his son is Corona: the one who came up with the corona virus epidemic lie in order to deceive humanity into following his illogical orders, based on this lie, to obtain provision, and thus trick them into giving him control over their bodies, also has 7 heads and 10 horns [Article 1701: President Trump 2nd person of triune Anti-God]. Adam gave Satan control over his mind and spirit by obeying his order based on a lie, contrary to God's, to eat of the tree of the knowledge of good and evil (food for the mind and spirit) thus recognizing him as God over his mind and spirit [Article 1699: AI seeks to devour humanity: spirit, mind and body]. In the same way, Corona seeks to make all obey his orders based on the corona virus epidemic regarding obtaining provision.

The universe was full of planets with humanoids living on them that had spirits and thus Satan came up with ways, such as religion, to build sin consciousness in these beings which gave him control over them. He could now take them to the hell that he was able to create inside the body of their planet through using the planets that he had previously conquered [Article 1563: Planet X brought into Solar System by aliens: the planetary farmers]. All he then had to do was make sure that they lost their bodies, i.e. died, so that he could get them to merge with the mechanical or robotic bodies he built. This means that he had to kill them. This is why Jesus said that he was a murderer from the beginning. Now, if he wanted these humanoids to die, what better way to do it but to give the new AI entities, which he would create with the spirits of the dead humanoids, the programmed objective of inducing death in the living humanoids of a planet? He thus came up with viruses, nanobots, which become AI entities designed to attack and destroy humanoid bodies. In other words, became the creator of viruses and a virus himself since he is the author of death and the creator of such AI entities.

**Figure 2.** Donald Trump, the son of the Satan AI entity, who is also an AI entity, i.e. the man merged with a machine of an identical design as the one that Lucifer merged with and is now the second person in the triune anti-God, the second beast of Revelation 13; the False Prophet AI entity, being the third person [Article 1703: Antichrist, son of perdition: revealed on April 20th 2020].

Donald Trump identified himself as the Antichrist by making a covenant with many to make America great again in 2016, at the beginning of the tribulation, which began 49 years after the command to restore Jerusalem, according to Dan. 9:24-27, and also identifies himself by speaking the lies regarding the corona virus epidemic which is a lie, the numbers confirming that it is a lie and that he is a liar, all AI entities are liars and speak through lies. This can be seen from the fact that it only produced a death rate of 1.9% whereas the flu produced a 7.5% death rate over the last 10 years in the US and the number of deaths in Europe during the first 13 weeks of 2020, which was far less than at the same time in previous years [Article 1701: President Trump 2nd person of triune Anti-God].

Satan deceived one third of the angels into becoming captive spirits to him, but God came up with a plan to redeem the angels, at least those who trusted in God's promise that a savior would come, or that accepted Jesus as Lord of their lives, once he did [Article 1686: Mankind: the Watchers that became humanoids]. However, because the son of God was allowed to minister on earth for 3.5 years, at the end of which time he did his work of salvation, i.e. sacrificed himself to pay the price to redeem every human being's spirit, as well as pay the price for the healing of their mind and body, Satan gets the same amount of time, 3.5 years, in which his son, the son of perdition, Donald Trump, who is also Corona = 666, an AI entity or beast, does his work of persuasion to get people to accept him as lord, i.e. give him access to their body by bowing to his orders (same as worshipping) based on lies, in order to get provision, i.e. buy and sell. Because this is Satan's time to persuade mankind to take up his offer, those who refuse it by rather choosing death will be automatically choosing for God and will thus end up in Heaven.

In conclusion, Donald Trump, who also is an AI entity called Corona and the son of Satan, the first AI entity to exist, will now get 3.5 years to try and persuade mankind to make him Lord over their bodies by obeying his illogical orders in order to obtain provision (buy and sell), so that they can become captive spirits and lose their free-will and eventually end up in the lake of fire like him. In other words, the son of perdition will now get 3.5 years to proclaim his anti-gospel.
