

1600. The timing of the rapture

Friday, April 03, 2020

Note: This article was my first attempt at figuring out the time when the rapture is to occur, it was written on March 5th 2020. I had not yet figured out that the command to restore Jerusalem was actually issued on June 28th 1967.

The rapture is the time when Jesus comes to catch up (snatch) his people from the earth. This will occur at the same time that the believers that have died are resurrected and given glorified new bodies. This event is described in I Thess. 4: 15-17:

¹⁵ For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are ¹⁶asleep. ¹⁶ For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. ¹⁷ Then we who are alive and remain shall be **caught up** together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. ¹⁸ Therefore comfort one another with these words.

Now, when does this event occur?

⁵ But concerning the times and the seasons, brethren, you have no need that I should write to you. ² For yourselves know perfectly that the day of the Lord so comes as a thief in the night. ³ For when they say, "Peace and safety!" then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. (I Thess. 5: 1-3)

So we know that this day is unannounced or occurs suddenly but a sign of it being very close is that the world leaders will be talking about peace and safety such as president Trump's peace agreement in Israel, released on January 28th 2020 and now a peace deal with the Taliban in Afghanistan which was quickly followed by the US apparently striking them, which clearly shows that any peace deal actually means the opposite, it means war.

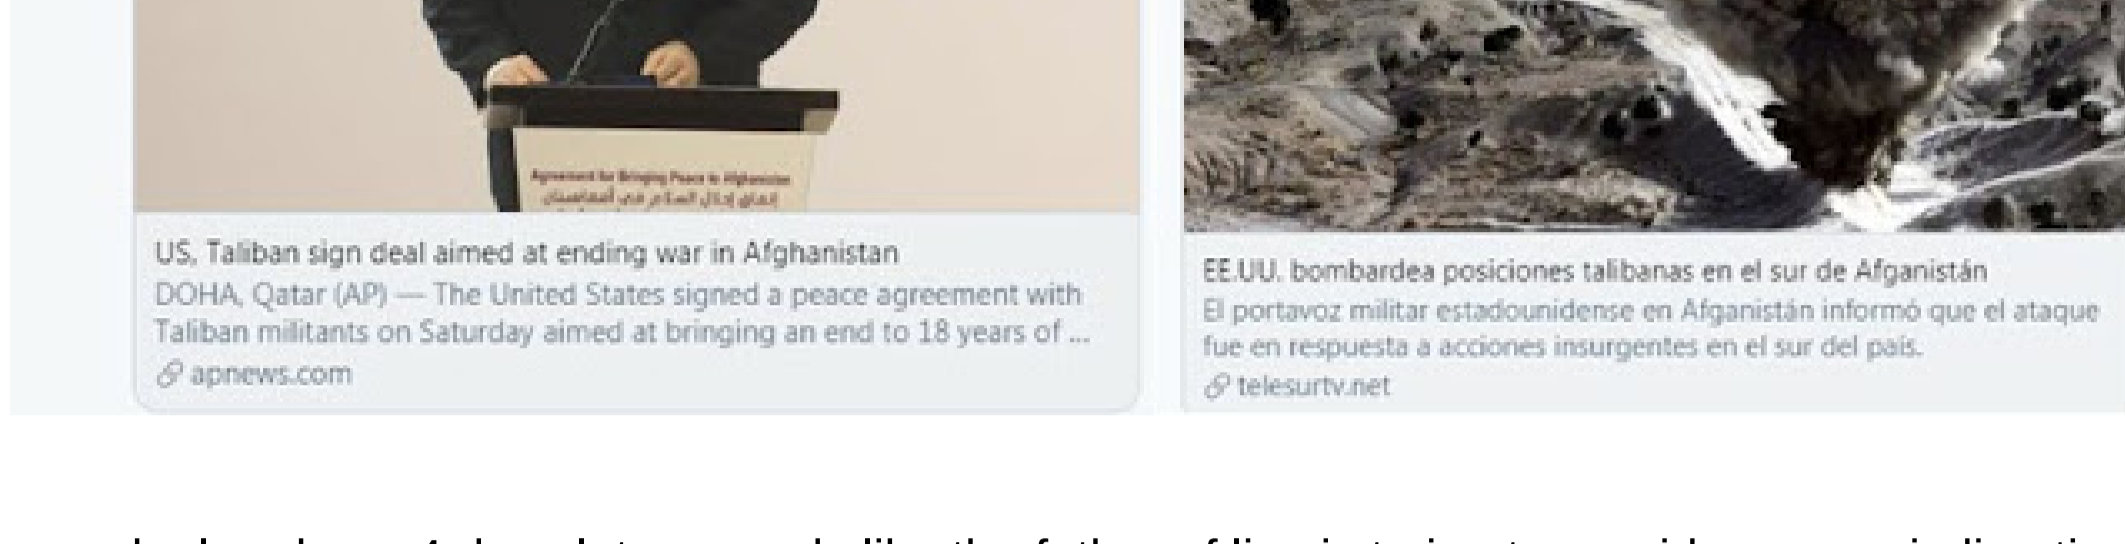

Figure 1. Peace deal and war 4 days later sounds like the father of lies is trying to provide more misdirection regarding what covenant the Antichrist will actually break.

As I have shown in previous articles, the tribulation started in 2016, 49 years after the issuing of the command to restore and rebuild Jerusalem, or the old Jewish quarter in Jerusalem gained by Israel during the 6 day war, which occurred on June 27th 1967 (Article 1598: The Tribulation began in 2016) [1]. Thus, we are now at about the middle of the Tribulation and the second half would then be the Great Tribulation, i.e. the time when Lucifer is allowed to do his worst and is thus also called the time of wrath, which means that the rapture has to happen just before or at the time when the Great Tribulation begins, since we not appointed to wrath, according to I Thess. 5: 9-10:

⁹ For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, ¹⁰ who died for us, that whether we wake or sleep, we should live together with Him.

The covenant that the Antichrist will break is the one he made with the US population and that is to make the 'US great again'. He is instead going to bring it trouble and destruction, and purge it of those who have God living on the inside, those who are the temple of God (Article 1599: Tribulation now: we are the third temple) [2]. The Antichrist is the man that David Goldberg identified as having meetings with rabbis and been told to declare himself King if Israel, which he has done, and how he should then proceed to exterminate millions of people in the US (Article 1592: Lucifer's iniquity: destruction for all through deception) [3]. In addition, in Revelation 13:5-6, we read:

⁵ And he was given a mouth speaking great things and blasphemies, and he was given authority to ⁶continue for forty-two months. ⁶ Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. ⁷ It was granted to him to make war with the saints and to overcome them. And authority was given him over every ⁸tribe, tongue, and nation. ⁸ All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world.

Figure 2. He blasphemes during a speech in August of 2019 and basically says he is president of Israel or King whilst apparently quoting someone else. If he thought the quote was going too far he wouldn't have repeated it in his own tweet, he obviously agrees.

How does he overcome the saints? With deception, they believe he was placed in power by God; instead he is Lucifer's Messiah, Lucifer being the prince of this world or the prince of the power of the air, the one who deceives the whole world. He is given authority over every nation and tribe and that can be seen from how he was received in India, where he was treated as their beloved leader and worshipped.

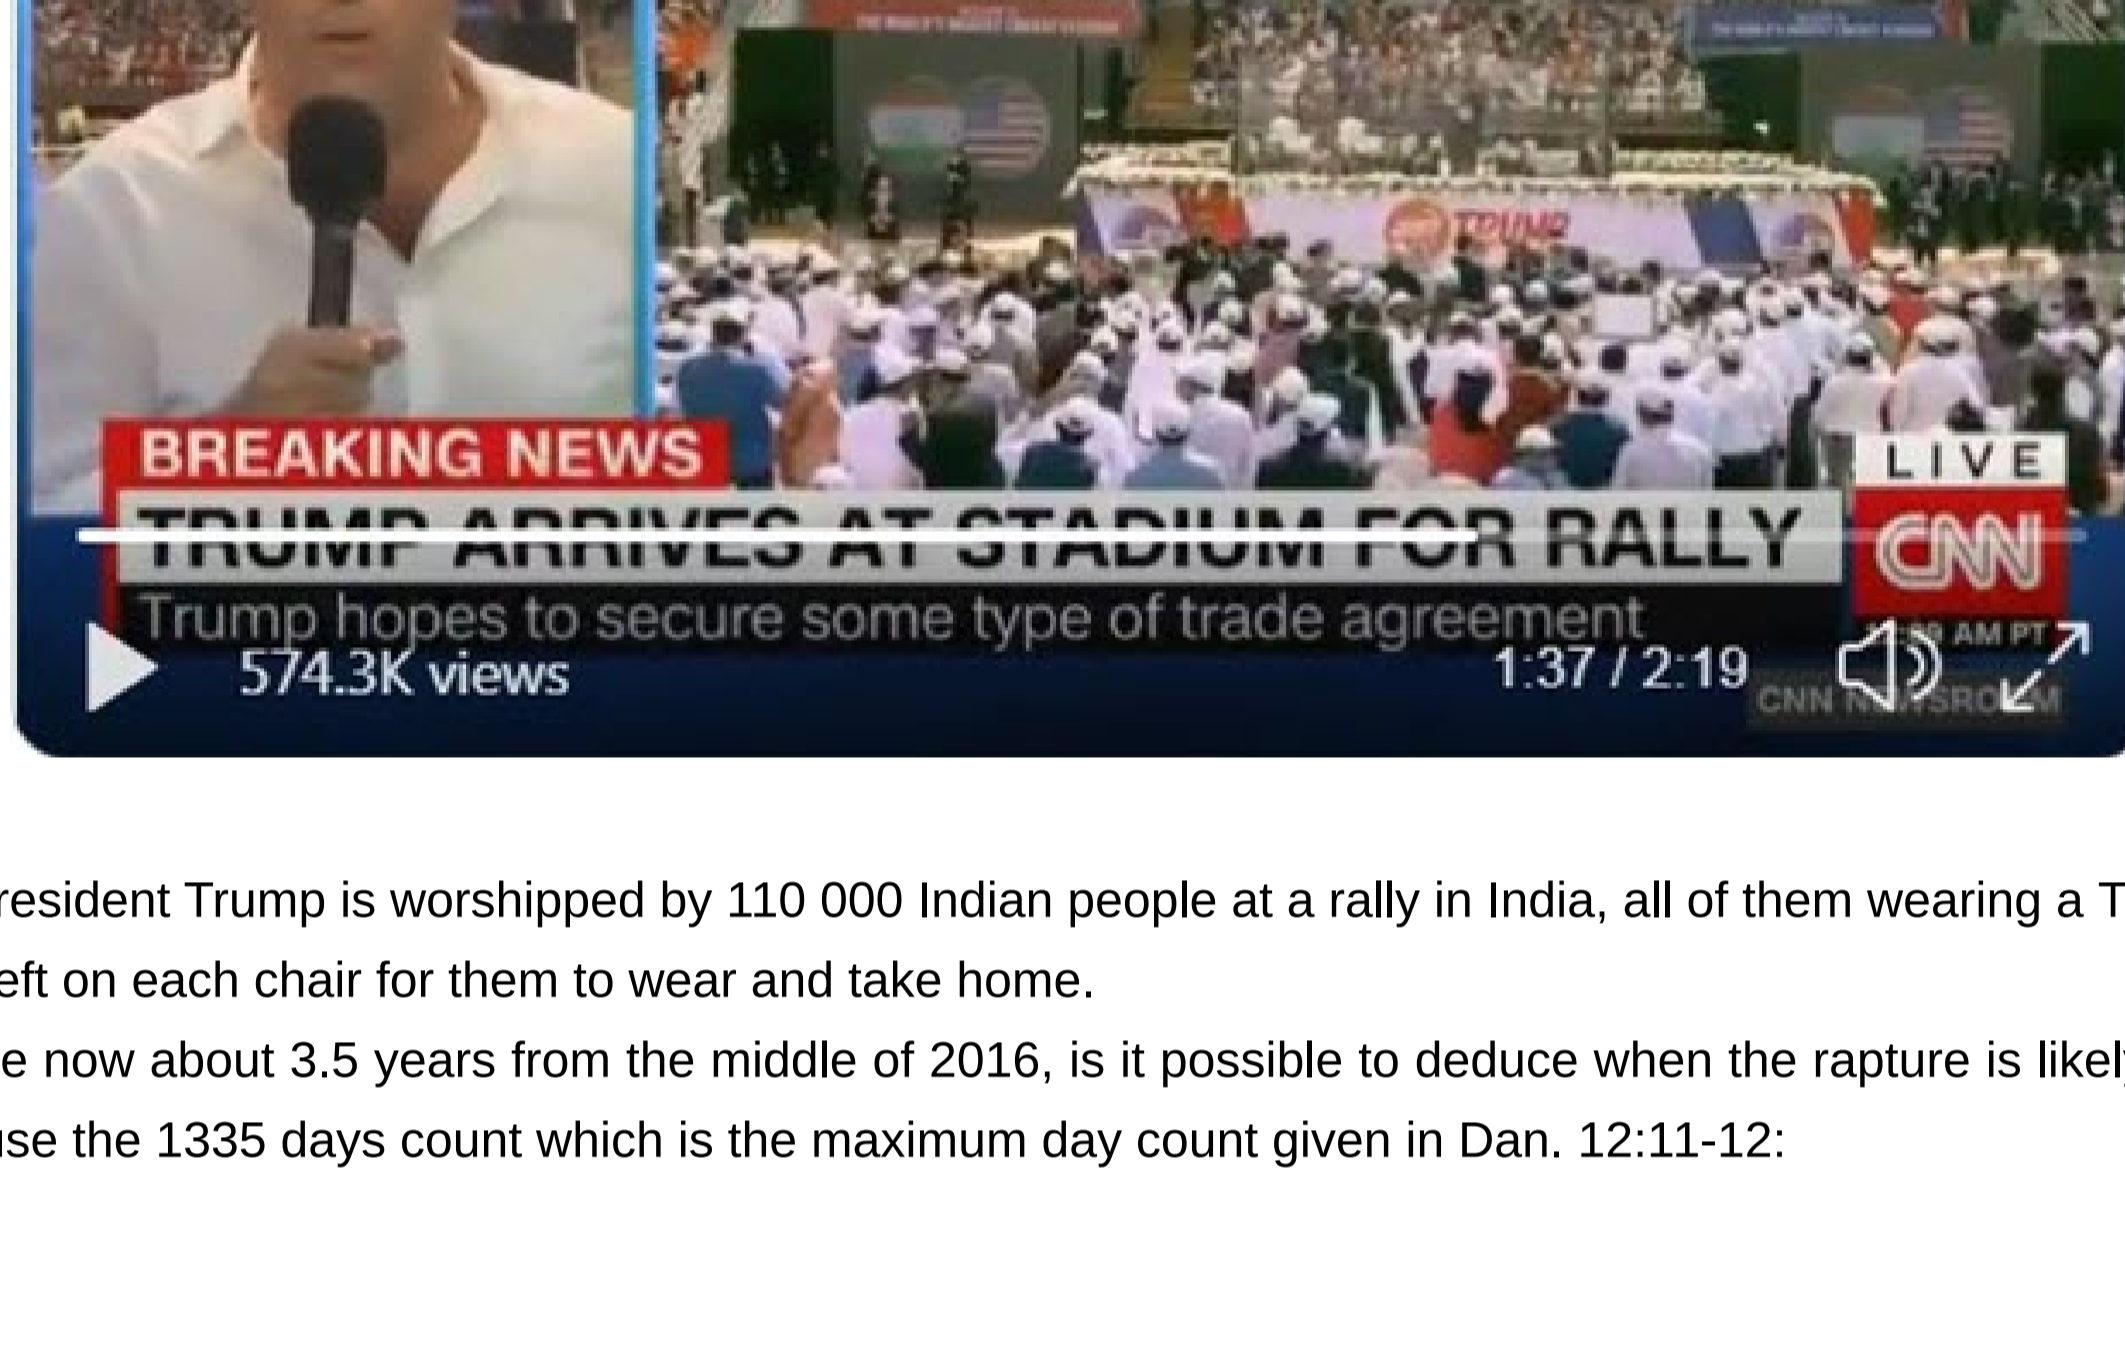

Figure 3. President Trump is worshipped by 110 000 Indian people at a rally in India, all of them wearing a Trump hat, which was left on each chair for them to wear and take home.

Since we are now about 3.5 years from the middle of 2016, is it possible to deduce when the rapture is likely to happen? Well, if we use the 1335 days count which is the maximum day count given in Dan. 12:11-12:

Since we are now about 3.5 years from the middle of 2016, is it possible to deduce when the rapture is likely to happen? Well, if we use the 1335 days count which is the maximum day count given in Dan. 12:11-12:

¹¹ And from the time that the daily sacrifice is taken away, and the abomination of desolation is set up, there shall be one thousand two hundred and ninety days. ¹² Blessed is he who waits, and comes to the one thousand three hundred and thirty-five days.

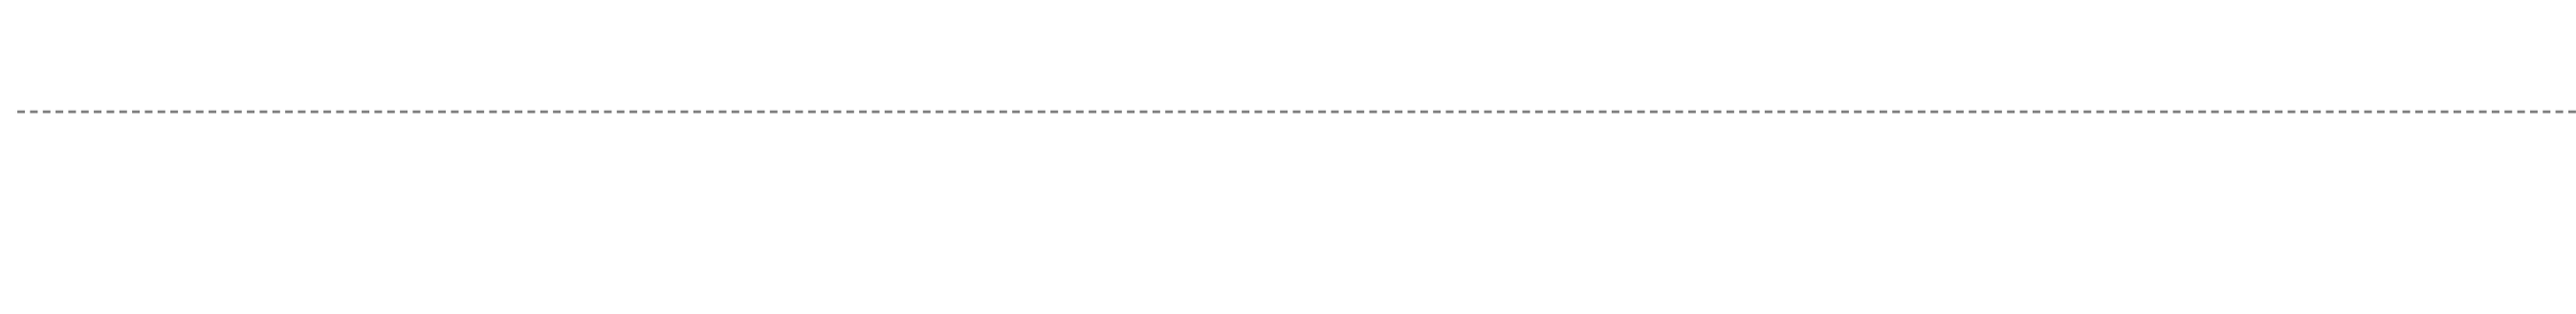

Which is not likely to actually be the right one, as this one is for after the abomination of desolation is set up, which occurs in the middle of the 7 year period, but yet is the longest day count that is close to 3.5 years, and using it we get to February 22nd 2020 from June 27th 2016, which we have passed and thus cannot be right. But, we need to remember that the Sun seems to have gone dark by 1998, after which time, the length of each day could have been progressively shortened, so that we can no longer figure out time by counting days (Article 536: Was the Sun already not shining by 1998?) [4]

Now, I noticed that in 2014, that the weather in summer in Portugal only got hot in August; it was as if June had now moved to August, suggesting something like a 6 week lag time in the seasons. The 'powers that be' can create cold by causing ice and snow to drop from the sky, from the Planet X planets (Article 1596: Earth dying: Colored ice along Lake Erie and cold weather) [5] but producing the warmth that goes with the seasons seem more difficult, as it was only in the last few years that they have been able to create excessive heat in Europe, Australia and other regions through using Planet X (Article 952: Heatwave across Europe: not natural and Article 1386: Heat in Australia due to Planet X: fires are volcanic) [6, 7]. This then suggests that the 'powers that be' shortened the length of each day to create a 45-day lag, by 2016, i.e. 45 days in about 15 years, or about 3 days per year, which would require that each day be shorter by about 12 minutes. This would have been done through a gradual acceleration or in increments, so that people had a chance to replace old clocks and since most people use online clocks any analog clocks showing a discrepancy would simply seem to be malfunctioning. They would go out and buy another, which would come with a reduced hour setting. This means that instead of the tribulation starting at the end of June of 2016, it would actually have started around the middle of August of 2016. This is would then agree with the events in my life as I wrote my first article, which was then published on YouTube by Chris Potter, on August 16th 2016, which is confirmation that this was when the Tribulation actually started, especially since I have felt for some months now that my mission is supposed to be 3.5 years long, just like Jesus'.

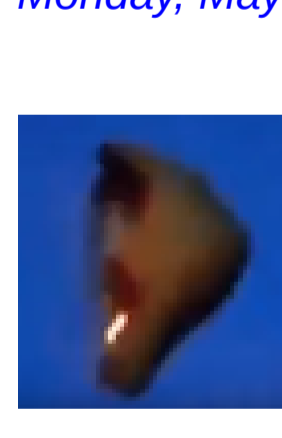

So now, if we count 3.5 years, exactly, from August 16th 2016, we would get to somewhere around February 16th 2020. But in 3.5 years there would be a lag again, at 3 days per year, we would end up with an additional lag of 10.5 days, which we can round off to 11 days. However, it is likely that the father of lies increased the lag rate by accelerating the rate at which the days are being shortened, perhaps doubling the lag rate to 22 days, which would take us to March 9th 2020. Thus, this may then be when the real middle of the tribulation is, or it could be a couple of days before or after. This is also when it is likely that they will start the extermination operations here in the US, and possibly, in other countries, around the world. The signs are there that they are getting ready for it. This would then be the time when we would also expect the rapture to occur.

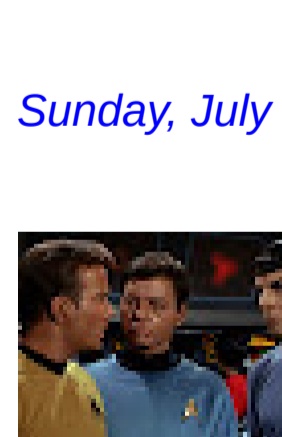

In conclusion, since the tribulation had to have started in 2016, we are now at about the middle part of the 7 year period where the rapture can be expected to occur. Estimating a time lag, which the 'powers that be' seem to have caused, leads to the obtaining of March 9th 2020, as a likely date; although this is only an estimate, and so, it could occur some days before or after that.
