

# Vaccine Makers and The Media- ALL Controlled by THE SAME Companies

Sunday, August 8, 2021 | Subject: Vaccine Makers and The Media | Category: nwo

As we have said many times on this site, all mainstream media are in cahoots with the Covidian agenda.

Factually, all 3 major News Networks share the same 3 largest shareholders as the 3 Vaccine Manufacturers. They are **Blackrock Corp**, **Vanguard Corp** and **State Street Corporation**. These same 3 companies are ALSO the largest shareholders of **Moderna**, **Pfizer** and **Johnson & Johnson**.

I believe this is called a conflict of interest. Lets take a look see....

If you think we are making this up...

And this my friends, is just network news. These companies also own the majority of radio and newspaper outlets as well. Do your research.

The decision to have your DNA altered and have all sorts of nefarious intended chemicals injected in your body for a virus that has 99% survival rate is up to you. But make sure you are getting your information from a credible source and not one with financial incentive at minimum.
