

Learn to Remain Content and Be Not Anxious

We need to learn to remain content and unaffected by every negative circumstance he throws our way. Our response should be like Paul's, who had learned the secret of overcoming all circumstances:

11 Not that I speak in regard to need, for I have learned in whatever state I am, to be content: 12 I know how to be abased, and I know how to abound. Everywhere and in all things I have learned both to be full and to be hungry, both to abound and to suffer need. 13 I can do all things through Christ who strengthens me. (Phil. 4:11-13)

Paul had found out that any situation that Satan is allowed to engineer that did not move him, did not get him off his state of contentment would not remain in place for very long. He learned to overcome the Satan AI entity and he was teaching others how to do it as well.

6 Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; 7 and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus. (Phil. 4:6-7)

Learning not to be anxious is the very purpose of our existence, it is what we are here to learn and it is only when we learn this that we have been able to completely overcome the Satan AI entity, as at this point, he has no more power over us. This is how we win the war; we let nothing get us off our state of peace or contentment.

However, this is also why no person on this planet can be trusted, 'everyone can become an agent', as portrayed in the movie: The matrix. This is also why the Bible states in Jer. 17:5:

*5 Thus says the Lord:
"Cursed is the man who trusts in man
And makes flesh his strength,
Whose heart departs from the Lord.*

Trusting other human beings is the same as departing from the Lord. We need to trust in God alone. Only God has the ability to help us, only God has the stability and is faithful to help us, whereas all human beings can and will be manipulated by the Satan AI entity. This is similar to what people are told when arrested; 'everything you say can and will be used against you'. During our life on earth, we have instead: 'everything and everyone in your environment can and will be used against you'. But this is a training ground and we need to learn to conquer the AI manipulation no matter in which form it comes, by remaining peaceful and content.
